

Log of Round 6 TCC Application Changes

Last updated: 6/8/2026

As stated in [Section 9.2](#) of the TCC Guidelines, during the Application Period, SGC reserves the right to issue clarifications and minor modifications to the application instructions and requirements as needed.

Below is a log of changes TCC has made to the application since the Application Period began on May 29, 2026. In the event of critical changes that may impact applicants who have already begun working their application on Submittable, such as changes made to any worksheets or templates, TCC will also notify the Lead Applicant listed on Submittable.

All Grant Types

- **Upcoming:** TCC will rename some of the files in the [Round 6 Application Materials – Public](#) folder to improve the applicant’s experience in navigating the application templates, resources, and materials.

Implementation Grant

- 6/1/2026
 - TCC uploaded the template of narrative questions for each Strategy in the Projects folder for applicants to preview the questions without logging into Submittable.
 - *Note: This template should not be used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However, when submitting your final responses, please check to make sure your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.*
 - TCC uploaded the [Summary Workbook](#) that the Lead Applicant is responsible for completing.

- 6/2/2026
 - TCC uploaded the [Implementation Narrative Questions](#) template document for applicants to preview all the questions without logging into Submittable.
 - *Note: This template should not be used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However, when submitting your final responses, please check to make sure your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.*
- 6/3/2026: TCC uploaded the Sample Work Plan and Budget Workbooks as optional resources. These samples are for reference only. Applicants should not use these samples as a comparison or baseline for competitiveness.
- 6/8/2026:
 - TCC re-uploaded the R6 IG Application Checklists which had listed the previous due date of June 30 for Other Climate Innovation proposals for pre-approvals. The correct **due date is June 15, 2026** for Other Climate Innovation proposals.

Project Development Grant

- 6/2/2026
 - TCC uploaded the [Project Development Narrative Questions](#) template document for applicants to preview all the application questions without logging into Submittable.
 - *Note: This template should not be used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However, when submitting your final responses, please check to make sure*

your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.

- 6/8/2026
 - TCC re-uploaded the R6 PDG Application Checklists which had listed the previous due date of June 30 for Other Climate Innovation proposals for pre-approvals. The correct **due date is June 15, 2026** for Other Climate Innovation proposals.

Planning Grant

- 6/3/2026
 - TCC uploaded the [Planning Narrative Questions](#) template document for applicants to preview all the application questions without logging into Submittable.
 - *Note: This template should not be used as the primary application resource. In the event of any differences and omissions on the template from the actual application on Submittable, the content on Submittable are final and official. Narrative question templates are meant to provide an overview of the content of the TCC application. You are encouraged to draft your responses in the template due to the editing limitation on Submittable. However, when submitting your final responses, please check to make sure your response completely answers the question in Submittable. SGC will only accept applications that have been completed in Submittable.*
- 6/8/2026
 - TCC re-uploaded the R6 PG Application Checklists which had listed the previous due date of June 30 for Other Climate Innovation proposals for pre-approvals. The correct **due date is June 15, 2026** for Other Climate Innovation proposals.
