ABOUT THE UNIT:

The “Are’s Solution” or ARESS, is a Division sized Private Military Company (PMC), founded shortly following the start of the 3rd US Civil War.

We are a contract-based Private Military Company, specializing in operations in unstable regions. Our mission: to exploit the world’s destruction and turn it into opportunity. With deep cash reserves, we equip our soldiers with the best weapons and state-of-the-art vehicles.

RULES AND EXPECTATIONS:

IN-GAME RULES:

1. **Respect others,**
 - 1.1. Everyone deserves to feel welcome and accepted in the server, no matter their: Race, religion, status, sexuality or gender.
 2. **Chain Of Command,**
 - 2.1. Realistically follow the Chain Of Command, orders should flow smoothly from rank to rank.
 3. **Mission Success,**
 - 3.1. Any deliberate attempts to sabotage a mission, (*trolling, excessive team killing, ect*) will result in disciplinary action.
 4. **Professional Language,**
 - 4.1. Refrain from excessive bad language, slurs and offensive remarks are strictly prohibited.
 5. **Act Realistically,**
 - 5.1. While role play isn't required, operators must behave tactically. (*e.g: do not charge enemy lines without support*)
