

**Remember there is no new learning this week- June 1-5th! This week you can finish up all assignments during this remote learning time. All work is due June 5th. Please get work turned in and remember pick up times for locker items/return books/computers this week on June 4th and 5th!**

Hello 6th grade families! Welcome to the week of **May 25th**. When we first started our Remote Learning adventure, we thought that it might just be a matter of a few weeks before we were all back together. Here we are at the last week of May. We are so proud of you! Remote Learning challenged all of us and we are so inspired by your growth. ★

This week 6th grade teachers and staff will clean out lockers and get your belongings bagged up for pick up. Look for an email from Mr Solberg detailing dates and times.  Due to locker clean-out teachers may take longer to reply to email and Google Classroom messages.

This is the last week that teachers will pushout *assigned* Google Classroom content. A few teachers may decide to pushout optional material in Google Classroom for the first week of June, but like the start of our Remote Learning, the District will take over learning opportunities. The District provided learning will be found at the Summer Enhancement page starting June 1st. [mcpsmt.org](http://mcpsmt.org)

**FILL OUT THIS STUDENT SURVEY HERE SO WE KNOW HOW THIS EXPERIENCE WAS FOR YOU!**

<https://forms.gle/gh3ixh2w5QuLMJwk8>

Please continue to check your email for important information as we wrap up this school year!

Thank you for your effort and patience,

The Sixth Grade Team

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                         |

[C.S. Porter's Library Website](#) has many engaging resources as well!

Wear Your Roots Clothing is raising money to help supplement our school lunch program and the Missoula Food Bank. They are setting a goal to get food to families on the weekends. Order a cool t-shirt to support our students and families in need!

<https://www.mymontanaroots.com/products/rootingforourfuture>

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **May 18th**. Learning activities are posted to Google Classroom by 8am on Mondays. Work is due by Friday at noon. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you or your student are feeling overwhelmed, please reach out to a teacher/staff. We are here to help.

Please have your student check their District Gmail. This helps staff reach out to students!

**Reminder:** No school on May 22nd AND May 25th Happy 4 day weekend! 😎

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **May 11th**. Learning activities are posted to Google Classroom by 8am on Mondays. Work is due by Friday at noon. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you or your student are feeling overwhelmed, please reach out to a teacher/staff. We are here to help. Please have your student check their District Gmail. This helps staff reach out to students!

|                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                              |

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **May 5th**. Learning activities are posted to Google Classroom by 8am on Mondays. Work is due by Friday at noon. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you or your student are feeling overwhelmed, please reach out to a teacher/staff. We are here to help.

It's Spirit Week! Check this out! <https://docs.google.com/document/d/1bCTewkpXBXZXAHHrrx0bnfzA-vpyRQEfKAz22xM9n6k/edit>

Please have your student check their District Gmail. This helps staff reach out to students!

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **April 27th**. Learning activities are posted to Google Classroom by 8am on Mondays. Work is due by Friday at noon. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you or your student are feeling overwhelmed, please reach out to a teacher/staff. We are here to help.

Please have your student check their District Gmail. This helps staff reach out to students!

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **April 20th**. Our hope is to get our week-at-a-glance newsletter out to you and learning activities posted to Google Classroom by 8am on Mondays. Work is due by Friday at noon. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you or your student are feeling overwhelmed, please reach out to a teacher/staff. We are here to help.

Please have your student check their District Gmail. This helps staff reach out to students!

|                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                         |

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **April 13th**. Our hope is to get our week-at-a-glance newsletter out to you and learning activities posted to Google Classroom by 8am on Mondays. Work is due by Friday at noon. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you or your student are feeling overwhelmed, please reach out to a teacher/staff. We are here to help.

Please have your student check their District Gmail. This helps staff reach out to students!

ELA Update

- John Stossel video, Notice/Wonder in Google Classroom
- At least 20-30 minutes a day with a reading check-in. Google Classroom
- If you are enrolled in Read 180 continue your program. Google Classroom

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **April 6th**. Our hope is to get our week-at-a-glance newsletter out to you and learning activities posted to Google Classroom by 8am on Mondays. Work is due by Friday at noon. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you or your student are feeling overwhelmed, please reach out to a teacher/staff. We are here to help.

Please have your student check their District Gmail. This helps staff reach out to students!

Hello 6th grade families! We miss all of you students dearly! Welcome to the week of **March 30th**. This week is all about review and connection as we start to navigate our new normal. Our hope is to get our week-at-a-glance newsletter out to you by Monday at 9am and have students complete learning tasks by Friday of that week. We fully understand that this might not be possible for families at this time, and that school might not even be in your top ten of priorities at this point. Please, know that we understand and empower you to make the best fit decision for your student. We know that you are doing your best! If you have questions or concerns, please reach out to teachers. Please go [here](#) for a message from your counselors Ms. Leslie and Ms. Amy.
