

October 2025

Dear Business Owner,

The Hamburg Area Music Association (HAMA) will be selling our annual community discount cards again. Many businesses in our school district take advantage of this FREE advertising. There is no cost to participate, and YOU designate the discount that your individual business provides.

If you have participated in the past, we thank you and would like to invite you to take part once again. If this is our first time reaching out to you, we hope you will consider being part of this fundraiser for our music, drama, and fine arts students in the Hamburg Area School District.

Our discount cards will be printed on colored card stock and will include a scannable QR code that links directly to the complete list of participating businesses and their discounts. This year's card will be valid January 1, 2026 through December 31, 2026.

The following instructions will be included on each card:

*Must be presented at time of purchase *Valid for cardholder only*

*Not valid with any other offer *One coupon per visit*

Our discount cards are sold for \$10 each and students will receive 50% of their total sales which is credited to their Student Grant Fund. Students can use their grant funds to purchase instruments, instrument repair costs, music/voice/dance/art lessons, festival audition fees, uniform/costume costs, field trips and festivals, etc.

We appreciate your support of the arts in our district and look forward to working with you!

Sincerely,
Hamburg Area Music Association
