

Privacy Policy for - LinkedIn Share

Effective Date: 15 Jan 2025

At LinkedIn Share, your privacy is important to us. This Privacy Policy explains how we collect, use, and protect your information when you use our Chrome Extension.

1. Information We Collect

Our extension does not collect, store, or transmit any personal information, browsing data, or other user data.

2. How We Use Permissions

The permissions requested by our extension are strictly necessary for its core functionality:

- **Host Permissions (<https://www.linkedin.com/>):** This is required to retrieve and process information from LinkedIn posts to enable sharing functionality.

We do not use these permissions to access any data outside of LinkedIn or for any purpose other than enabling the sharing feature.

3. Data Sharing

We do not share, sell, or distribute any user data to third parties.

4. Third-Party Services

When sharing LinkedIn posts through Gmail, Yahoo Mail, or WhatsApp, you may be subject to the privacy policies of those services. We recommend reviewing their policies for more information.

5. Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted here with an updated effective date.
