# Bio for CBCW team
2021

## Silver Lake and Pearl Lake, Waushara County:

**Anna Peterson** is a High Honors Student at Wautoma High School, active in sports, volunteering, and leadership in extracurricular activities. As a resident of Silver Lake, "lake life" is in her blood, with plenty of experience in boating, fishing, and use of equipment. She also brings a special passion for protecting Silver Lake, and personal understanding of the efforts that lake groups of Waushara County are putting into protecting our area lakes.

## Green Lake, Green Lake County:

**Phil Troschuk** is currently an undergraduate student at the University of Wisconsin Stevens Point and is pursuing a B.S. in Conservation Law Enforcement and minoring in Criminal Justice. Phil is looking forward to protecting the local environment as a Watercraft Inspector and gaining experience in the field that will help him pursue a career as a Game Warden. In his free time, Phil enjoys fishing for largemouth bass, down-hill skiing and kayaking.

**Lake Helen, Portage Co:**

**Sam Coates** is  from Waterford, WI, and loves being in the outdoors winter, spring, summer, and fall.  His interests are hunting, fishing, sightseeing, trap shooting, and conservation.  He is currently attending UW Stevens Point working towards a Bachelor's degree in Fisheries and Aquatics with a minor in Conservation Law.  His emphasis is to educate individuals on how they can help to preserve the wildlife and environment for future generations.
