Activate Bamboo

Step 1: Go through the website below ⬇️ and ask for your 6-Digit Code (you might have taken a screenshot of this when you joined) your up-line and/or broker (MD) has access to find this too for you.

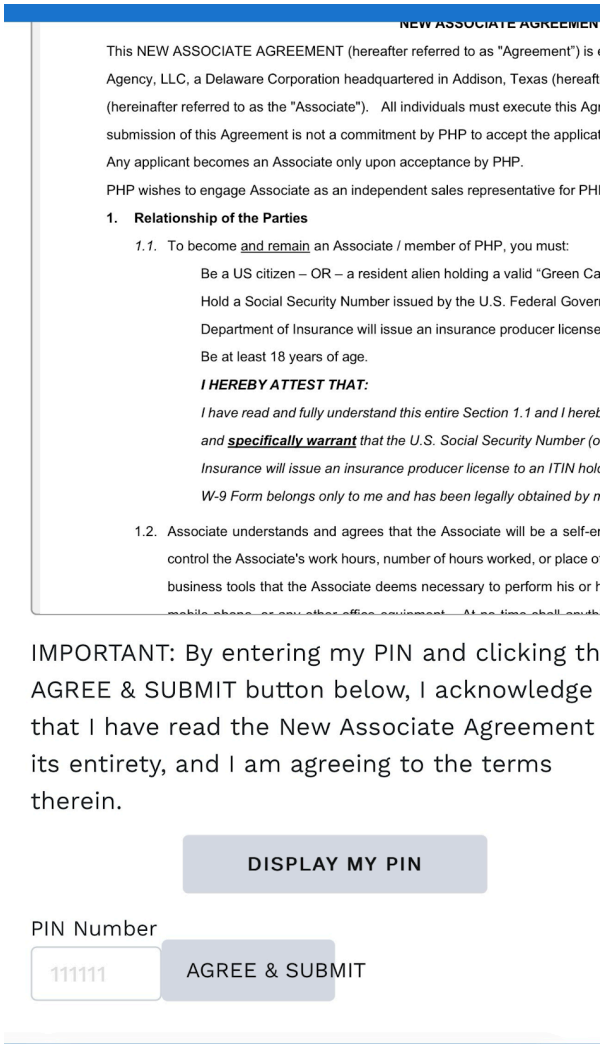

[PHP Portal <- click this Website]

Step 2: Click the green button and add your 6 digit code. Then fill out all our personal info.

Step: 3 At the end they will show you the contract agreement, you MUST Scroll through all of the pages down before you can click the agreement.

After that the Button “Display my pin” will turn green to click on and copy that pin to the box to Agree & submit.

Step 4

For IOS download the Bamboo Ann and sign in with your user and password

[PHP Bamboo V2]
