Rates & Photo Distribution:

- Individual Shoots (1 pax): SGD\$80/h
- Group Shoots (≥ 2 pax): SGD\$120/h

Should your shoot require more logistics and be more complex in nature, I will adjust the rates accordingly.

- Payment is to be made after conducting 1 successful full-day shoot via PayLah! or PayNow.

I will send up to 15 edited photos and all unedited photos within 1 week of the shoot. Should photo preprocessing take longer due to academic or external commitments, I will notify you in advance.

- I will edit the photos that are most appealing based on my judgment.
 - If you have a specific photo that you would want me to edit, do reach out to me and I'll edit it at an extra cost of SGD\$2 per photo.
- All unedited photos will be distributed through a Microsoft OneDrive or Google Drive link.
- Edited photos will be sent as an uncompressed JPEG Telegram attachment.

Terms of Service:

- I mainly work with fursuit (furry fandom) or cosplay (anime/pop culture) photography. However, I can also arrange for professional shoots (e.g. Portfolio B-Rolls, Weddings, Interior Design) to be conducted as well.
- I will offer my fullest communication with you to suit your photography needs, from location preferences to itinerary, and theme.
- Conducting the shoot is location or weather-dependable. Should the weather/location be unsuitable on the day of the shoot, I will have to rearrange for an alternative day.
- I do not do NSFW/18+ suggestive shoots, or shoot at places where both of our safety can be at risk.
