

# Integrated Substance Use and Addiction Programs

Division of Addiction Psychiatry

Pacific Southwest (HHS Region 9)

**ATTC**

Addiction Technology Transfer Center Network  
Funded by Substance Abuse and Mental Health Services Administration

## Catalog of On-Demand Learning Opportunities, Organized by Key Topic Area

Welcome to the UCLA Integrated Substance Use and Addiction Programs' curated catalog of on-demand learning opportunities. This enduring course catalog features a variety of self-paced learning opportunities that have been developed by the UCLA ISAP Training Department, Pacific Southwest Addiction Technology Transfer Center, and other training/technical assistance organizations located across the United States. The catalog is organized in alphabetical order by key topic area. Special thanks to the California Department of Health Care Services, County of Los Angeles Department of Mental Health, County of Los Angeles Department of Public Health, Substance Abuse Prevention and Control, and Substance Abuse and Mental Health Services Administration for providing funding to support the development of many of the courses contained within this Catalog.

Complimentary Continuing Education (CE) credit and/or Continuing Medical Education (CME) is available from UCLA ISAP for many of the courses featured throughout this Catalog. Please be sure to review the course description(s) to determine which types of CE/CME credit are available prior to enrolling in and completing the course(s).

The Catalog features several free on-demand learning opportunities from the [CA Bridge Academy](#), as well as on-demand learning opportunities available through [HealtheKnowledge](#), managed by The Collaborative to Advance Health Services at the University of Missouri-Kansas City School of Nursing and Health Studies. HealtheKnowledge offers a wide variety of courses in the areas of improving health and healthcare services. Each high-quality HealtheKnowledge course offers a free Certificate of Completion for you to keep once you have passed the course requirements. Continuing Education (CE) credit is available for most of the courses for \$5 per credit hour. The courses provided on this site cover a variety of health-related topics relevant for today's healthcare provider.

For questions, please contact Beth Rutkowski ([brutkowski@mednet.ucla.edu](mailto:brutkowski@mednet.ucla.edu)). We hope you find what you're looking for to further expand your knowledge of evidence-based substance use disorder treatment and recovery approaches. To search the course catalog, type Ctrl+F and enter a keyword into the search bar.

Happy browsing!

*\*Continuing Education (CE) credit(s) are NOT available for this activity.*

## Alcohol

Keywords: Alcohol, alcohol use disorder, binge drinking

- *Alcohol Use Disorder in Primary Care* (Published 09/11/23):  
<https://psattcelearn.org/courses/alcohol-use-disorder-in-primary-care/>
  - 1.0 CME credit available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
  - 1.0 CE credit/contact hour available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP), and Psychologists.
  - Associated Project: Opioid and Stimulant Implementation Support-Training and Technical Assistance, Provider Support Initiative.

## ASAM Criteria

Keywords: ASAM, levels of care, multidimensional assessment, service planning

- *Supplemental ASAM Training for Adolescent Populations* (Published 06/01/22):  
<https://psattcelearn.org/courses/supplemental-asam-training-for-adolescent-populations/>
  - 1.0 CE credit/contact hour available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP).
  - Note: Other types of CE credit (e.g., CME, PSY) are NOT available for this activity.
  - Associated Project: UCLA ISAP SAPC Provider Training Initiative.

## Clinical Supervision

Keywords: supervision, supervisor, supervisee

- *Clinical Supervision Foundations* (HealtheKnowledge):  
<https://healtheknowledge.org/course/index.php?categoryid=56>
  - 14.0 NAADAC and NBCC CE credits and 12.0 NASW CE credits available from UMKC

## Contingency Management

Keywords: Recovery Incentives, motivational incentives, contingency management, incentives, positive reinforcer, reinforcement, operant conditioning, native communities

*\*Continuing Education (CE) credit(s) are NOT available for this activity.*

*^^Section 508 remediation in process.*

- *Contingency Management for Healthcare Settings* (Northwest ATTC; HealtheKnowledge):  
<https://healtheknowledge.org/course/index.php?categoryid=52>
  - Clinical Supervisors:
    - 2.5 NAADAC CE credits available from UMKC
  - Decision Makers:
    - 1.0 NAADAC CE credit available from UMKC
  - Direct-Care Staff:
    - 2.0 NAADAC CE credits available from UMKC
- *Healing and Ending Addiction through Recovery and Training (HEART) Demonstration - Montana's Contingency Management (CM) Program Overview Training* (Published 06/02/25):  
<https://psattcelearn.org/courses/montana-contingency-management-overview/>
  - 2.0 CME credits available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
  - 2.0 CE credits/contact hours available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), CAODCs (CADTP), CMPSSs (CalMHSA), and Psychologists.
  - Associated Project: Montana's HEART Contingency Management Program.
- *^^Implementing Contingency Management to Treat Stimulant Use Disorder* (Presented 11/12/24): <https://vimeo.com/1033171875?share=copy>
  - Associated Project: Opioid and Stimulant Implementation Support-Training and Technical Assistance, Provider Support Initiative.
- *Motivational Incentives: Positive Reinforcers to Enhance Successful Treatment Outcomes (MI:PRESTO)* (HealtheKnowledge):  
<https://healtheknowledge.org/course/index.php?categoryid=53>
- *Overview of Contingency Management in Native Communities* (Published 08/02/23):  
<https://psattcelearn.org/courses/overview-of-contingency-management-in-native-communities/>
  - 2.0 CME credits available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
  - 2.0 CE credits/contact hours available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP), and Psychologists.
  - Associated Project: Opioid and Stimulant Implementation Support-Training and Technical Assistance, Tribal and Urban Indian Provider Training Series.
- *Recovery Incentives: California's Contingency Management Program, Contingency Management (CM) Overview Training* (Published 05/09/22):  
<https://psattcelearn.org/courses/recovery-incentives-californias-contingency-management-program-contingency-management-overview-training/>

\*Continuing Education (CE) credit(s) are NOT available for this activity.

^^Section 508 remediation in process.

- 2.0 CME credits available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
- 2.0 CE credits/contact hours available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP), and Psychologists.
- Associated Project: Recovery Incentives: California's Contingency Management Program.

## Co-Occurring Disorders

Keywords: mental health and substance use, co-occurring disorders, comorbidity, comorbid

- *Co-Occurring Substance Use and Mental Health Disorders 101* (Published 06/01/22): <http://psattcelearn.org/courses/co-occurring-substance-use-and-mental-health-disorders-101/>
  - 1.0 CE credit available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP).
  - Note: Other types of CE credit (e.g., CME, PSY) are NOT available for this activity.
  - Associated Project: Los Angeles County DMH Co-Occurring Disorder Training Initiative.

## Criminal Justice

Keywords: criminal justice, probation, parole, criminal involvement, jail, prison, corrections

- *Substance Use Disorder Treatment in Criminal Justice Settings* (2014): <https://vimeo.com/97154827>
  - Associated Project: UCLA ISAP Research Training Series.

## Dialectical Behavioral Therapy

Keywords: Dialectical Behavioral Therapy, mindfulness, emotional regulation, distress tolerance, interpersonal effectiveness

- *Dialectical Behavioral Therapy in Substance Use Disorders Treatment* (Presented 07/09/24): <https://vimeo.com/982153560>
  - Associated Project: Opioid and Stimulant Implementation Support-Training and Technical Assistance, Provider Support Initiative.

\*Continuing Education (CE) credit(s) are NOT available for this activity.

^^Section 508 remediation in process.

## DSM-5

Keywords: diagnostic criteria, diagnosis, DSM-5, assessment

- <sup>\*\*\*</sup>*DSM-5 Diagnosis of Substance Use Disorders – What Has Changed?* (2016):  
<https://vimeo.com/178256186>
  - Associated Project: Pacific Southwest Addiction Technology Transfer Center.

## Ethics and Confidentiality

Keywords: law, ethics, confidentiality, 42 CFR Part 2, HIPAA

- *Law and Ethics of Clinician-Client Relationships* (Northwest ATTC; HealtheKnowledge):  
<https://healtheknowledge.org/enrol/index.php?id=658>
  - 3.0 NAADAC CE credits available from UMKC

## Hepatitis C

Keywords: Hepatitis C, viral hepatitis

- *HCV Snapshot: Introduction to Hepatitis C for Health Care Professionals* (HealtheKnowledge): <https://healtheknowledge.org/course/index.php?categoryid=52>
  - 1.5 NAADAC, NASW, CNE, and CHES CE credits available from UMKC

## Integrated Care

Keywords: behavioral health, primary care, integration, integrated care, health 101, settings, PBHCl, systems, coordinated care

- *The Culture of Integrated Services (Health 101)* (Published 06/01/22):  
<https://psattcelearn.org/courses/the-culture-of-integrated-services-health-101/>
  - 1.0 CE credit/contact hour available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP)
  - Note: Other types of CE credit (e.g., CME, PSY) are NOT available for this activity.
  - Associated Project: Los Angeles County DMH Co-Occurring Disorder Training Initiative.
- <sup>\*\*\*</sup>*The Importance of Integrated Services for Children and Adolescents* (2016):  
<https://vimeo.com/171638702>
  - Associated Project: Los Angeles County DMH Co-Occurring Disorder Training Initiative.

<sup>\*</sup>Continuing Education (CE) credit(s) are NOT available for this activity.

## Opioids

Keywords: Addiction 101, buprenorphine, methadone, Medications for Addiction Treatment (MAT), Medications for Opioid Use Disorder (MOUD), Opioid Use Disorder (OUD), overdose prevention, and fentanyl/synthetic opioids, withdrawal, induction, quick start, DEA, opioid prescribing, novel synthetics, navigators, xylazine, naltrexone, OBOT, tolerance (after withdrawal), pregnancy, pregnant people

- *Addiction Overview* (Published 01/17/20):  
<https://psattcelearn.org/courses/wpsi-and-hma-present-addiction-overview/>
  - 0.5 CME credits Available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
  - Note: Other types of CE credit (e.g., PSY, LMFT, LCSW, Substance Use Counselor) are NOT available for this activity.
  - Associated Project: Opioid and Stimulant Implementation Support-Training and Technical Assistance, Provider Support Initiative.
- *\*\*\*A Nurses's Role in Addiction Treatment* (May 13, 2025):  
<https://vimeo.com/1087204892?share=copy>
- *\*\*\*Best Practices to Treat OUD in Justice-Impacted Populations* (April 8, 2025):  
<https://vimeo.com/1075739628?share=copy>
- *Buprenorphine for Withdrawal Treatment in Acute Care Settings* (Published 09/20/21):  
<https://psattcelearn.org/courses/buprenorphine-for-withdrawal-treatment-in-acute-care-settings/>
  - 1.0 CME credit available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
  - 1.0 CE credit/contact hour available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP), and Psychologists.
  - Associated Project: Opioid and Stimulant Implementation Support-Training and Technical Assistance, Provider Support Initiative.
- *Buprenorphine Starts for Patients Using Fentanyl* (Published 08/02/23):  
<https://psattcelearn.org/courses/buprenorphine-for-patients-using-fentanyl/>
  - 1.0 CME credit available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
  - 1.0 CE credit/contact hour available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP), and Psychologists.
  - Associated Project: Opioid and Stimulant Implementation Support-Training and Technical Assistance, Provider Support Initiative.
- *CA Bridge Academy*

\*Continuing Education (CE) credit(s) are NOT available for this activity.

^^Section 508 remediation in process.

- The [CA Bridge Academy](#) is a free learning platform, which provides free continuing medical education (CME) for medical doctors (MDs), doctors of osteopathic medicine (DOs), physician assistants (PAs), and nurse practitioners (NPs) about substance use disorder treatment. A collection of over 10 CME units and counting can now be accessed at no charge to help MDs, DOs, PAs, and NPs meet the new Drug Enforcement Agency (DEA) licensing requirement or simply further their education in how to provide better care for patients who use drugs. The video lecture library is mix and match, so people can choose the topics that are most interesting to them, with confidence each lecture will be presented in the typical, evidence-based, cutting edge, and passionate CA Bridge style.
- **\*\*\*California Hub and Spoke System MAT Trainings/Webinars:**
  - *Addressing Compassion Fatigue in the Context of the Opioid Epidemic* (August 13, 2019): <https://vimeo.com/410705944>
  - *Providing Medication-Assisted Treatment in Integrated Settings: Coordinating Care with a MAT Team; Featuring experts from a Vermont MAT Team* (March 29, 2018): <https://vimeo.com/channels/hubandspoke/279899580>
- *Caring for Complex Patients in Resource-Limited Rural Communities* (Published 04/28/23): <https://psattcelearn.org/courses/caring-for-complex-patients-in-resource-limited-rural-communities/>
  - 1.0 CME credit available from UCLA ISAP for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses.
  - 1.0 CE credit/contact hour available from UCLA ISAP for LMFTs, LCSWs, LPCCs, and/or LEPs (CAMFT), RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP), CATCs (ACCBC/CAADE), and CAODCs (CADTP), and Psychologists.
  - Associated Project: NIDA Clinical Trials Network, Greater Southern California Node.
