

@Stilisins NSFW COMMISSIONS

NSFW COMMISSIONS!!

- I can draw any **character** or **OCs**, in any type of clothing.
 - I will send you **sketches** before I start lining and coloring so you can change anything if you want.
 - I'll add 2\$-4\$ to the base price to help cover half of the fees.
 - I'm ok with a lot of kinky stuff (as you can see in the examples), but I may not accept it if I'm not comfortable with it. Come talk to me! Don't worry!
 - No underage characters
 - I can't draw complex backgrounds!
 - **NO GORE** (I'm ok with some blood)
 - I accept Furry commissions but just be aware I have little experience with that ^^;
 - Payments via STRIPE in USD, if you don't know stripe, it's a new paying platform and you don't need to create an account to send payments! You just pay the invoice sent to your email using your credit card, fast and easy~~ (I can also use paypal if you prefer)
- (Posso fazer outros preços em real se você for brasileiro ok!)
- [Check my SFW Commission post if you want even more details](#)

Feel free to come talk to me if you have any questions! Even if you are not sure about the commission yet. If you are not sure about details or prices, I'll be here~
