

CATS Created Awards

We love our CATS family! To celebrate each other, we are going to create an award for another classmate that highlights a part of his/her personality, talents, characteristics, skills, passions, traits, hobbies, etc. You will be using items from home, school supplies, or recycled materials to create this unique piece. Please do not purchase anything. I encourage you to use MOSAIC values and Scholarly Attributes (Individuality, Compassionate, Inquisitive, Principled) to help you create the award and a few words to accompany the award. It doesn't have to be lengthy or complex, but it should simply put a smile on his/her face. I would be happy to help you collaborate, create and inspire ideas for the award!

***Please have this project completed by Tuesday, June 7th. We roll out the carpet for the CATS CLASS AWARDS Ceremony on Wednesday, June 8th (Subject to change)*
