- Money on a Jcard?
    - Prob preferred but not perfect
- Collecting data, could be data breaches (had one 2 yrs ago)
    - Are we in partnership w other 3rd parties using student data in sim way?
        - Not explicitly in their policies
        - IF YOU ARE PRINTING YOUR THESIS, PROPERTY OF FREENTERS
            - Wtf?
        - Ownership vs manipulation
    - Ads on family guide?
        - Cost of something for advertisement
        - Could use ORCA TVs to have ads --> more money
    - Student individually could register and they will send rebate?
        - Print ads also so can opt in
    - Request document about software breaches/info keeping
- Are a startup, so if they change business model, we do set precedent for offering free printing, and puts us in a bind
- Could further subsidize or broadly based quota or etc
- Maybe not 3rd party
- Working with Uchicago, school in Boston, us?
    - Smita worked w them before?
- If there's a problem w the printer, who from Freenters will fix it???
    - IMPT
- Most current terms of agreement
- Gets dicey w their history
- Security of computers
    - We login w our JHEDs so no thanks
- Network control not there bc license agreement diff, lays on top
- Call center that they hire??
    - V diff than their own staff
- Reasonable print quota?
    - Look into historical data
    - Depending on major?
        - Undecided ppl?
- NEXT STEP: schedule w them
    - Peer benchmarking in meantime
