

Bridgewater-Raynham Regional High School
"Expect the Best"

Our Core Values and Beliefs about Learning

We Believe in...

Building Readiness

- I. It is our responsibility to prepare students for work and life in the 21st Century. We, therefore, are committed to:
- A diverse curriculum that embraces 21st Century skills and abilities.
 - Instructional strategies that are customized to meet the needs of all learners.
 - Assessments that are fair, authentic and varied.

Building Respect

- II. Students learn best in a safe, positive and welcoming environment. We, therefore, are committed to:
- A disciplinary code that is fair, consistent and appropriate.
 - Maintaining a school climate that encourages respect for all with an open mind to learning about the various backgrounds and experiences of all BRRHS community members and beyond.

Building Resiliency

- III. Fostering the development of students' personal and social growth is essential to our educational mission. We, therefore, are committed to:
- Developing and adapting a multi-tiered system of instruction and support that meets the academic, social, and emotional needs of all students..
 - Providing students with a variety of enrichment and extracurricular activities.

Building Relationships

- IV. Education is the shared responsibility of the community, parents/guardians, staff and students. We, therefore, are committed to:
- Effective and respectful communication.
 - Encouraging students to take a leadership role in a wide range of school programs.
 - Including parents/guardians and community members in school initiatives, programs and activities.
 - Fostering relationships between our students and staff

Student Learning Expectations

Upon graduation all Bridgewater-Raynham Regional High School students will be able to:

Academic

- I. Read effectively.
- II. Write effectively.
- III. Communicate effectively.
- IV. Demonstrate research literacy.

- V. Use independent and critical thinking skills to identify and solve problems.
- VI. Use traditional and electronic resources to analyze, integrate and apply knowledge.

Social & Civic

- VII. Demonstrate personal responsibility.
- VIII. Actively participate in school and/or community.
