

Foley High School Daily Announcements

Friday, March 27, 2026

▶ Connect 4 Championship today during flex (after check-in) in Mr. Notsch's room. Come witness history!! Lacy Posterick will face Chase Knapp for the chance to beat defending champion Zach Johnson in the championship match.

▶ The Deficiency List will be run on Wednesday, April 1st. If you currently have a failing grade in any of your classes, you will be unable to participate in extracurricular competitions or activities effective Wednesday, April 8th. Please take this time to contact your teachers about how to bring your grade up to passing.

▶ On Wednesday, April 1st a grade review will be conducted. If you have any grade that is a D- or lower you will be restricted for Flex beginning on Wednesday, April 8th and lasting for three weeks. If you are on the restricted list you are required to stay in your assigned flex period (unless allowed to leave at teacher request).

If you would prefer to have freedom of movement and choice during your flex time, we encourage you to make every effort possible to have all grades at least a D or higher by Wednesday, April 1st.

Students who are on the restricted list will receive an email. If you believe an error was made when the new list is announced, please see Mrs. Gann.

▶ Whoop whoop! We're incredibly proud to share that we are halfway to our goal of \$10,000 for the Special Olympics Cool Schools Polar Plunge! Thanks to your generosity and support, we've already raised enough for Ms. Rasmusson to take the plunge—what an amazing milestone! There's still time to be part of something truly meaningful. The plunge is just three weeks away, and we would love to see even more of you join us in supporting inclusion and making a difference. If you're interested in signing up, please reach out to Ms. Piepgras or Mr. Crowell. Together, we can continue to build a community that celebrates everyone. Let's keep the momentum going!

▶ Applications for the Foley Ambassador Program for girls ages 16-20 are available in the Guidance Office and can be found online on the City of Foley's website. Completed applications are due to City Hall by Friday, March 27th. Don't miss out on this great opportunity to represent the city of Foley as a Foley Ambassador!
