

Please bring the following:

Vintage sewing machine with bobbin and bobbin case (If applicable). Foot pedal and power cord.

Manual for your machine- if you do not have it, try searching online. For Singer machines- most manuals can be found on their website

Sewing machine oil

Old cloths/rags for cleaning your machine

Cotton swabs - a handful

Alcohol prep pad (2) - like the things you would use to clean a cut with. Or rubbing alcohol and paper towel.

A new needle for your machine- size 14 is best

A piece of fabric for testing your machine

Thread for testing your machine

Old clothing to wear/old apron to protect clothing

Old towel

Paper towel

A plastic bag or plastic container to put your pieces in.

Water bottle and water to drink.

Coffee mug

Eyeglasses, if you need them..

A light to help you see, if you feel you might need it..

Flat head screw drivers

Extension cord or power bar.

IMPORTANT - check your wiring in advance. Look for bare spots, cracking wires, degradation.

Any issues with electrical, wiring or motors needs to be fixed in advance by a qualified technician.
