

SUNSHINE AND RAINBOWS PRESCHOOL

William D. Ford Career Technical Center
36455 Marquette, Westland, MI 48185

Tracy Vaughan, Instructor
734-419-2112

The Sunshine and Rainbows Preschool is a training program operated through William D. Ford Career Technical Center. It is to prepare high school students for employment in the field of early childhood and/or education. It also provides the students with a better understanding and appreciation of all young children. Students study growth and development of children with a concentration on two and a half to five year olds. They plan appropriate activities for children, study behavior and behavior management, and learn other work related skills. Preschool begins in the beginning of October and runs through May. The program operates on Tuesdays, Wednesdays, Thursdays, and Fridays. Students will be involved in the planning and operation of the center, including individual activities, small group work, large group work and outdoor play.

Times:

Morning Program: 8:00 to 9:30 AM.

Afternoon Program: 12:00 to 1:30 PM.

Tuition:

\$500 for the entire school year.*

\$950 for the entire year if two children from the same family attend.
