

Clover High School - Summer School 2025

Edmentum Online Program

Initial Credit – Student is taking the entire course for the first time. (Courses: Am Gov, Economics, Psychology, Sociology, PE, Health, Fund of Comp, Art Apprec, Music Apprec)

Retake – Student is retaking the entire course due to failing with a final average below 50.

Credit Recovery – Student is recovering credit for a course they failed with a final average 50-59. Students will be assigned a set number of modules based on the final average and pretests. *(Credit Recovery is not approved by the NCAA for collegiate athletic eligibility.)*

CURRICULUM: Clover High School will utilize Edmentum online curriculum. Some courses may also require additional teacher-generated assignments.

GRADING: Initial Credit students are graded based on computer-generated quizzes and tests, as well as teacher-graded assignments such as journals, discussions, labs, and other opportunities to show mastery of the content. Credit Recovery students earn a pass/fail grade. The grade reflected on the transcript will be a P for “Passing” if the student successfully completes all of the assigned modules in Edmentum. An NP for “Not Passing” is recorded if the student does not successfully complete the Credit Recovery course. Credit Recovery is GPA neutral. **Transcripts:** The final grade earned in the course will become part of the official transcript, even if the course is not completed and the grade is a failing average.

COST: Initial Credit and Retakes - \$100 per course, Reduced \$50.00, Free Lunch – Free

Credit Recovery - \$50 per course, Reduced Lunch \$25, Free Lunch – Free

Refunds will not be awarded if a student fails to complete the course in the allotted time or if the student drops the course after the deadline.

Initial Credit (June 2nd – June 26) Students may work from home or in the i-School lab. Teachers will be available during office hours for assistance. *The final exam must be taken in person by June 26.. (Deadline to register: May 20)*

Credit Recovery and Retakes (June 2 – June 26) Students are required to work in person Monday through Thursday in the i-School computer lab, Room 154, (8:00 AM to noon or noon to 4:00 PM). Transportation is the responsibility of the parent and student. Students are expected to attend daily until the Credit Recovery or course retake has been completed. *(Deadline to register: May 30)*
