Parent Access to Schoology

Step 1: Obtain Access Codes

To obtain parent access to Schoology, you'll need an access code for each of your students. Your student's teacher is able to provide this access code.

If you have not been provided with access codes for your students, you may contact Brittany Misuraca at bmisuraca@wm.k12.mn.us. You will need to provide each child's full name and teacher's name(s).

Step 2: Create Parent Account for Schoology

1. Go to <https://app.schoology.com/register.php>
2. Click the *Parent* button
3. Copy paste the provided access code
4. Follow the prompts to create your account

Step 3: Adding Additional Students

1. Go to app.schoology.com and sign in to your Schoology Account
2. Click the arrow next to your name in the top-right corner
3. Click the "Add Child" button
4. Copy/Paste the provided access code for the next student
5. Click "Use Code" to complete

Repeat this process for each additional student
