

Good evening, Lift Heavy

Hello, I'm XXXX and I'm relatively new to copywriting as a growth consultant for fitness apparel brands like yours. I help out small businesses that have potential and I make those businesses bigger.

This business caught my attention quickly. The clothing put out a positive message to keep moving forward, resonating with me.

Promoting clothing with ambassadors is a great way to traffic attention to your brand.

You'd think that your business's popularity would be through the roof but that's quite the opposite.

Putting up advertisements would help traffic people to your website and scale your business.

I noticed you were having trouble getting customers.

I'd be open to scheduling a time to chat about this further. I'm confident that I will exceed your expectations.

Let me know if you want to chat about this further.

Best regards,

XXXX
