<i>Foundations and Routines</i>	<i>Plants and Animals Have Needs</i>	<i>Every Story Has Characters</i>	<i>Rules At Home and School</i>	<i>Writers Tell Many Stories</i>	<i>Technology At Home and School</i>	<i>Stories Have a Message</i>	<i>Holidays and Celebrations</i>	<i>Weather and Seasons</i>
August - September	September - October	October - November	November - December	December - January	February	February - March	March - April	May - June
								
As we start our year, we first learn about who we are and how to be friends with each other as we think and share together. We practice routines to help guide how we	Every place provides animals and plants with the special things that help them live and grow. We ask questions and create mental images as we read about living things.	We connect with others by reading, writing, talking, and learning how people are all different. We make inferences and distinguish between important and unimportant	As we read about rules at home, school, and in our community, we make connections and summarize ideas. We draw and write to share what we learn about rules	We will read stories that take us on adventures to meet characters from around the world. We discover important lessons about how families and friends care for	Technology helps us do lots of things like learning and playing. We identify important information about how we use technology to talk and play with others	Get ready for exciting stories that teach us big lessons. We read folktales from different places and describe characters, settings, and major events. We share how the	Let's celebrate! We take a festive journey around the globe as we learn all about holidays and celebrations around the world! We read stories about the different ways to	Take a trip through the seasons. We read stories about different kinds of weather, how the seasons change and how these changes affect our daily lives. We identify main
