

# POLITICAL ELECTIONEERING

## Background

The political election process in Alberta and Canada normally occurs every four to five (4 to 5) years. Schools are sometimes subject to solicitations from politicians and aspiring politicians.

## Procedures

1. Campaigning in Division schools by individual candidates or parties for municipal, school board, provincial, or federal elections is prohibited.

Principals may, however, organize all-candidate forums or assemblies for educational purposes, provided the attendance is by invitation and voluntary and all parties are given equal opportunity.

2. The posting or distribution of campaign materials associated with elections on lands or within buildings owned by the Division is prohibited, except campaign materials may be:

- 2.1 Used as classroom teaching resources on the condition that support for an individual candidate or political party is not solicited; and

- 2.2 Posted regarding school board elections as directed by the Board.

3. Political campaign materials and political literature in general may not be distributed through the school or sent home to parents although it may be used directly with those students attending meetings described in clause 1 above.
4. The Principal shall report to the Superintendent any unusual circumstances that may originate from these procedures.
5. The Superintendent may be requested to rule on extraordinary requests within the parameters of this Administrative Procedure. Any such occurrence will be reported to the Board as information.
