## **INFO FOR SATURDAY BEFORE FINALS:**

We are so grateful to the Woodward family for planning and running the dinner for the past two years and it is time to pass the baton to a new family. The Woodward family is going to be handling all wrestler food and coaches food for the tournament.

We are looking for a volunteer to head up the dinner between the last session and the finals. Here are two suggestions:

1. Find a location (hotel ballroom or large restaurant) and have it catered. Collect payments from families (note: we typically have between 75-100 people who come).
2. Take a truck (does not need to be a trailer) and reserve a spot in the lot by the arena.  
Transport tables and chairs and EZ ups and set up the area.
  - a. Collect venmo and order food to be picked up or delivered. We used Vallarta's the past two years. Any option will do.

If you are interested in volunteering, please DM us or reach out to Michelle Woodward @ 559-213-0587.
