

We've had a great start to the new school year. All of the children have been so happy in their classes and enjoying their new learning. Thank you to parents for making sure that the children are coming to school on time and in their uniform. It really helps them to have a successful day.

You may have noticed/heard that I have changed my name, I am no longer Mrs Harrison, but now Miss Ward. As always, if you ever need to see me, I am on the gates most mornings and afternoons.
