BB

[Intro]**G**[Verse I]

G

I wanna be drunk when I wake up

D/F# Em

On the right side of the wrong bed

And every excuse I made up

Tell you the truth I hate

C

What didn't kill me

D G

It never made me stronger at all.

G

Love will scar your make-up lip sticks to me

D/F# Em

So now I'll maybe leave back there

C

I'm sat here wishing I was sober

D G

I know I'll never hold you like I used to.

[Pre-Chorus]

Em D

But our house gets cold when you cut the heating

G C

Without you to hold I'll be freezing

Em D

Can't rely on my heart to beat it

G C

'Cause you take part of it every evening

Em D

Take words out of my mouth just from breathing

G C G

Replace with phrases like when you're leaving me.

D/A C

Should I, should I?

[Chorus]

Em G

Maybe I'll get drunk again

Em G

I'll be drunk again

Em G

I'll be drunk again

C D

To feel a little love

[Verse II]

G

I wanna hold your heart in both hands

D/F# Em

I'll watch it fizzle at the bottom of a Coke can

And I've got no plans for the weekend

So shall we speak then

C

Keep it between friends

D G

Though I know you'll never love me like you used to.

G

There maybe other people like us

D/F# Em

You see the flicker of the clipper when they light up

C

Flames just create us, burns don't heal like before

D G

You don't hold me anymore.

[Pre-Chorus]

Em D

On cold days Coldplay's out like the band's the name

G C

I know I can't heal things with a hand shake

Em D

You know I can't change as I began saying

G C

You cut me wide open like landscape

Em D

Open bottles of beer but never champagne

G C G

We'll applaud you with the sound that my hands make.

D/A C

Should I, should I?

[Chorus]

Em G

Maybe I'll get drunk again

Em G

I'll be drunk again

Em G

I'll be drunk again

C D

To feel a little love

[Bridge]

Em G

All by myself

I'm here again

Em G

All by myself

You know I'll never change

Em G

All by myself

C D Em

All by myself

Em G

I'm just drunk again

Em G

I'll be drunk again

Em G

I'll be drunk again

C D

To feel a little love
