

To whom it may concern,

My name is XXX.

I am writing this letter in support of Lauren Frank and her husband Illinois State Trooper Brian Frank, who is currently in your care.

Brian is the type of person who would not hesitate to do anything and everything within his power to help someone in need. I have no doubt that if any of you reading this needed something- Brian would be there for you.

Right now, he needs YOUR help.

He needs the decision makers at your facility to make an exception about his length of stay and give him a chance to progress with his entire support system and community just minutes away.

I urge you to consider this request.

Sincerely,

XXX
