³Third.author@first-third.edu

Abstract (Size 10 & bold & Italic)— This document gives formatting instructions for authors preparing papers for publication in the Proceedings of an IJETT Journal. The authors must follow the instructions given in the document for the papers to be published. You can use this document as both an instruction set and as a template into which you can type your own text.

Keywords (Size 10 & Bold) — Put your keywords here, keywords are separated by comma.

I. INTRODUCTION (SIZE 10 & BOLD)

(Size 10 & Normal) This document is a template. An electronic copy can be downloaded from the conference website. For questions on paper guidelines, please contact the conference publications committee as indicated on the conference website. Information about final paper submission is available from the conference website.

II. PAGE LAYOUT (SIZE 10 & BOLD)

(Size 10 & Normal) An easy way to comply with the conference paper formatting requirements is to use this document as a template and simply type your text into it.

A. Page Layout (Size 10 & Bold & Italic)

Your paper must use a page size corresponding to A4 which is 210mm (8.27") wide and 297mm (11.69") long. The margins must be set as follows:

- Top = 19mm (0.75")
- Bottom = 43mm (1.69")
- Left = Right = 14.32mm (0.56")

Your paper must be in two column format with a space of 4.22mm (0.17") between columns.

III. PAGE STYLE (SIZE 10 & BOLD)

All paragraphs must be indented. All paragraphs must be justified, i.e. both left-justified and right-justified.

A. Text Font of Entire Document (Size 10 & Bold & Italic)

The entire document should be in Times New Roman or Times font. Type 3 fonts must not be

used. Other font types may be used if needed for special purposes.

Recommended font sizes are shown in Table 1.

B. Title and Author Details (Size 10 & Bold & Italic)

Title must be in 24 pt Regular font. Author name must be in 11 pt Regular font. Author affiliation must be in 10 pt Italic. Email address must be in 9 pt Courier Regular font.

IV. TABLE I

FONT SIZES FOR PAPERS (SIZE 8)

Font Size	Appearance (in Time New Roman or Times)		
	Regular	Bold	Italic
8	table caption (in Small Caps), figure caption, reference item		reference item (partial)
9	author email address (in Courier), cell in a table	abstract body	abstract heading (also in Bold)
10	level-1 heading (in Small Caps), paragraph		level-2 heading, level-3 heading, author affiliation
11	author name		
24	title		

All title and author details must be in single-column format and must be centered.

Every word in a title must be capitalized except for short minor words such as “a”, “an”, “and”, “as”, “at”, “by”, “for”, “from”, “if”, “in”, “into”, “on”, “or”, “of”, “the”, “to”, “with”.

Author details must not show any professional title (e.g. Managing Director), any academic title (e.g. Dr.) or any membership of any professional organization (e.g. Senior Member IJETT).

To avoid confusion, the family name must be written as the last part of each author name (e.g. John A.K. Smith).

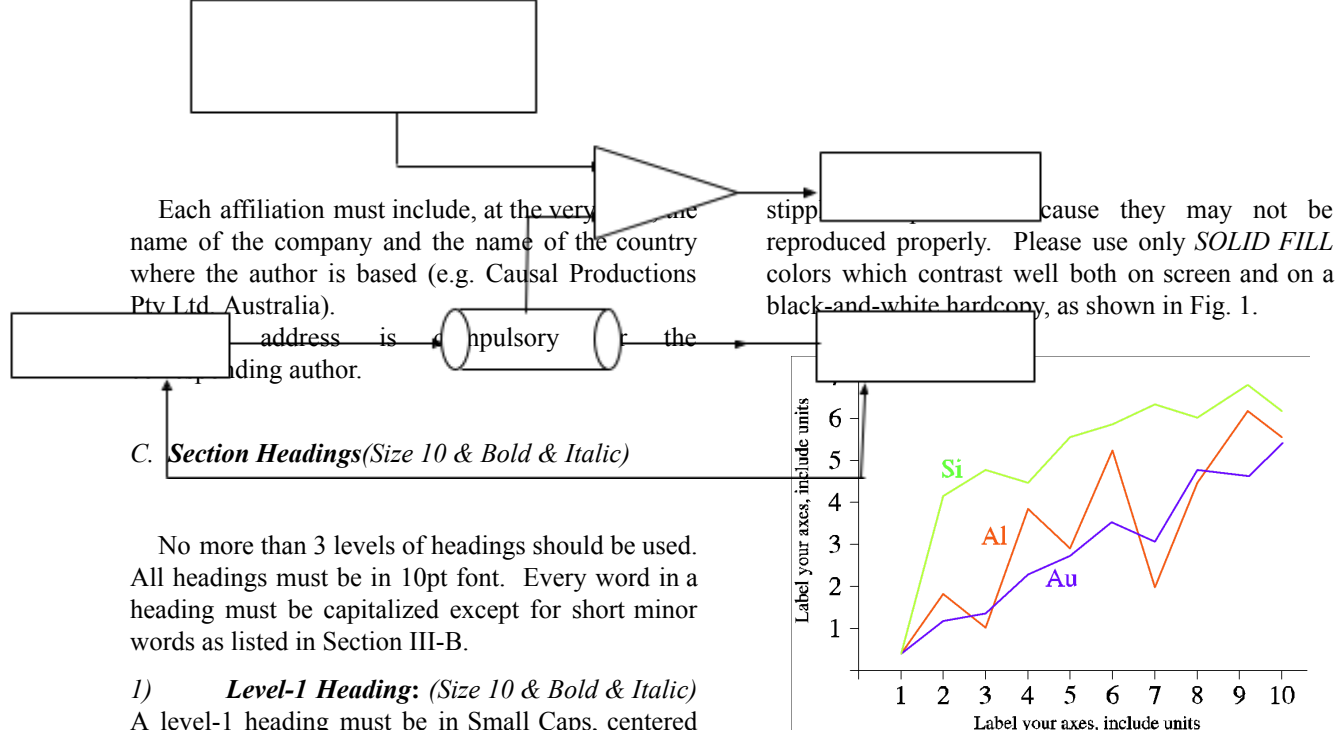

Fig 2: If necessary, the images can be extended both columns

F. Table Captions(Size 10 & Bold & Italic)

(Size 10 & Normal) Tables must be numbered using uppercase Roman numerals. Table captions must be centred and in 8 pt Regular font with Small Caps. Every word in a table caption must be capitalized except for short minor words as listed in Section III-B. Captions with table numbers must be

placed before their associated tables, as shown in Table 1.

G. Page Numbers, Headers and Footers(Size 10 & Bold & Italic)

Page numbers, headers and footers must not be used.

H. Links and Bookmarks(Size 10 & Bold & Italic)

(Size 10 & Normal) All hypertext links and section bookmarks will be removed from papers during the processing of papers for publication. If you need to refer to an Internet email address or URL in your paper, you must type out the address or URL fully in Regular font.

I. References

(Size 10 & Normal) The heading of the References section must not be numbered. All reference items must be in 8 pt font. Please use Regular and Italic styles to distinguish different fields as shown in the References section. Number the reference items consecutively in square brackets (e.g. [1]).

When referring to a reference item, please simply use the reference number, as in [2]. Do not use “Ref. [3]” or “Reference [3]” except at the beginning of a sentence, e.g. “Reference [3] shows ...”. Multiple references are each numbered with separate brackets (e.g. [2], [3], [4]–[6]).

Examples of reference items of different categories shown in the References section include:

- example of a book in [1]
- example of a book in a series in [2]
- example of a journal article in [3]
- example of a conference paper in [4]
- example of a patent in [5]
- example of a website in [6]
- example of a web page in [7]
- example of a databook as a manual in [8]
- example of a datasheet in [9]
- example of a master’s thesis in [10]
- example of a technical report in [11]
- example of a standard in [12]

V. CONCLUSIONS (SIZE 10 & BOLD)

The version of this template is V2. Most of the formatting instructions in this document have been compiled by Causal Productions from the IJETT LaTeX style files. Causal Productions offers both A4 templates and US Letter templates for LaTeX and Microsoft Word. The LaTeX templates depend on the official IJETT tran.cls and IJETT tran.bst files, whereas the Microsoft Word templates are self-contained. Causal Productions has used its best efforts to ensure that the templates have the same appearance.

Causal Productions permits the distribution and revision of these templates on the condition that

Causal Productions is credited in the revised template as follows: “original version of this template was provided by courtesy of Causal Productions (www.causalproductions.com)”.

ACKNOWLEDGMENT (SIZE 10 & BOLD)

The heading of the Acknowledgment section and the References section must not be numbered.

Causal Productions wishes to acknowledge Michael Shell and other contributors for developing and maintaining the IJETT LaTeX style files which have been used in the preparation of this template. To see the list of contributors, please refer to the top of file IJETT Tran.cls in the IJETT LaTeX distribution.
