Species: Mobian crow

Gender: Male

Age: 16

Birthday: October 8th

Home continuum: Sonic the Hedgehog

Leitmotif: *Throw It All Away* (from Sonic Adventure 2)

Personality: Prefers to appear as an aggressive person, rarely smiling. Can be found swearing every now and then. Would rather do things quickly in hopes of not wasting too much time and getting a longer rest. Has a short fuse, evident by how he is constantly annoyed by the little voice in his phone. Has a penchant for things he considers fitting for a "bad boy", which would explain why he likes wearing black outfits and wielding guns.

Appearance: A corvid humanoid with a rather lanky build, wearing a black outfit consisting of a t-shirt over a jacket, a pair of fingerless gloves, a belt strapped around a pair of jeans, and sneakers.

Biography: The agent decided to keep his past unknown for the time being. What is known about Corvus is that he has a score to settle with Infinite, the one who helped Eggman take over the world. After falling through a plothole into the PPC, he has decided to join in hopes of getting a vacation back home and paying Infinite back.
