3. Reports:

- SAC Chair:
 - PTO have offered to help out with recess equipment if necessary.
- Principal:
 - This year the school focus is on Walkthrough Indicator #10, which encourages the use of academic and domain specific language in written and spoken discourse by both teachers and students. It will help students to explain their thinking in math, describe complex text, and collaborate creatively with their peers.

- 3rd, 4th and 5th grade finished up their 1st math interim assessment, and there has been overall growth compared to last year. The first ELA interim is coming up soon.
- SLO/Installation Commander:
 - IAC meeting January 25th at 15:00 on microsoft teams. Open to public. Email Mr. Schmid for zoom link.
 - MFLCs: Under world wide travel ban. Mr.Schmid has submitted a travel waiver and CFAY has signed off, waiting for final approval. Hoping to have them here by the beginning of next semester.
