GLM Coding Plan Individual Plan	Max	80 Million Tokens (8,000 Credits)

Campaign Notes

- AutoClaw system records will be used to determine Token issuance and usage.
- If fraudulent activity, automated abuse, or other improper attempts to obtain benefits are detected, AutoClaw may disqualify the account, revoke rewards, and recover related campaign Credits.
- To the extent permitted by applicable law, AutoClaw reserves the right to interpret and adjust these campaign rules.
