

Clarkston Junior High School: 8th Grade US History/Geography

Level of Difficulty	Prerequisites
☐ Moderate ☐ Difficult ☐ Very Difficult	None

Course Description

This course will be a comprehensive study of American history from the time of the Revolution through Reconstruction (1763-1900). Areas to be studied include the American Revolution, Constitution, growth of the new republic, Jacksonian Democracy, Westward Expansion, early reform movements, the Civil War, Reconstruction, Westward Expansion, Industrialization, and Immigration. This course will also include an in-depth study of economic, civic, and geographic perspectives as they relate to the individual eras in each time period.
