

## Month 9 Assignments

### Instructions

1. All assignments are due on the due date.
2. All work will be handed in on Canvas unless noted otherwise
3. In all academic work, the ideas and contributions of others must be appropriately acknowledged and **work that is presented as original must be, in fact, original**. Copying work created by an AI-content generator (such as ChatGPT) and turning it in without proper attribution or authorization is a form of academic dishonesty and will not receive credit. If you are unsure about whether something may be plagiarism or academic dishonesty, please contact Mr. Meyer to discuss the issue.
