Student Name: _____

Core 1 Teacher: _____

I understand and agree to comply with the following rules about lockers and locks at Brogden:

- I will only go to my locker during the assigned times.
- It is my responsibility to lock-up my valuables in a hallway or gym locker.
- I will keep my locker locked.
- The Brogden Middle School staff is not responsible for finding, returning, or paying for anything I bring onto BMS campus if lost or stolen.
- I will pay a one-time locker/lock rental fee. Once that fee is paid, I will have access to a hallway locker & lock for the 2025-2026 school year at Brogden.
- I am permitted to use ONLY Brogden-issued locks on my hallway. If I put a lock on my locker that wasn't issued at Brogden, it will be cut off.
- The lock on my locker is assigned to that locker and cannot be removed or changed. I will not change the lock that is on my locker.
- I will pay a \$5 replacement fee for any hallway lock that has been assigned to me and I don't return at the end of the semester/year.
- I understand that Brogden locks don't belong to me, so I will not color them, or otherwise alter their appearance. I understand that coloring/altering locks will result in a \$5 replacement fee.
- I understand that writing on my locker is considered vandalism of school property, and I will be charged to repair them. I also understand that vandalism of school lockers/locks could result in disciplinary action.
- I will not share my lockers or lock combinations with any other student at Brogden.
- The Brogden administration has access to lockers, and for safety reasons, has the right to search anything in a BMS locker.
- I will report any misuse of lockers/locks to my teachers or administration.
- I understand that if I do not comply with the BMS locker rules, I could lose my locker privileges.
