

## Quilt Show Sponsorship Information

Misty Mountain Quilters Guild is a nonprofit 501(c)(3) organization with over 165 members in Fannin, Union and Towns counties in Georgia and Cherokee and Clay counties in North Carolina. The guild was established in 1984 for educational, charitable, and historic purposes.

Every other year, the guild holds a quilt show in Blairsville which brings over 1000 visitors into our community for the weekend. QuiltFest is held to showcase the skills and artistry of our talented quilters. The event provides an opportunity for the community to learn about the guild and for the guild to raise money to support our charitable outreaches and educational programs.

Misty Mountain Quilters' Guild is calling for your support of QuiltFest 2025. Your contribution will help defray expenses in creating a beautiful and educational event for our community.

---
