

Letter to Elected Officials

Feel Free to edit. Remember, government officials keep track of the number of letters supporting a cause. Write as many letters as you can and keep writing!

I stand with Israel.

Israel is the only democracy in the Middle East. Israel is our ally.

I stand against terrorism. Terrorism is the unlawful use of violence and intimidation, particularly against civilians.

Hamas is a terrorist organization. Read their Charter. Watch their own recordings of their atrocities. Refer to their terrorism instruction manual. Cannot negotiate with terrorists. Hamas does not want peace.

On October 7th Hamas terrorists tortured and massacred Israeli civilians on Israeli soil.

Israel is at war with Hamas. This is not a war between Israel and the Palestinians.

We must state clearly and unequivocally that Hamas, a terrorist organization, attacked and brutalized Israeli civilians.

Jewish history in Israel dates back thousands of years. Israel is not occupying Gaza. In 2005 it was given entirely to the Arab population in an effort for peace.

I ask you to stand firm against what is right and what is wrong.

Hamas committed crimes against humanity, not just against Israelis. Their tactics and Jihad messaging are a danger to all of us.

Words matter. Stand up for truth. Stand up for humanity. Stand up for life.
