				accuracy, fluency, and comprehension. b) Develop peer learning skills of self-assessment c) Improve confidence through peer support in group reading.		2. Learners are divided into reading teams to facilitate peer learning and support 3. Learners retell story, events read in pairs and small groups.	English Activities Grade 2 pg.62		
	4	Writing	Spelling instruction	By the end of the sub-strand, the learner should be able to: a) Spell words with short and long vowel sounds and consonant clusters. b) Use phonic knowledge to spell and write familiar and unfamiliar words	Why is it important to spell words correctly?	1. Learners write newly learned words on a word tree 2. Learner should be guided on the use of spelling strategies including knowledge of letter, sound correspondences, and common letter patterns	Flash cards, word trees, writing materials, stencil KLB Visionary English Activities Grade 2 pg. 63-64	learners participate in spelling challenge, dictation	
	5	Writing	Spelling instruction	By the end of the sub-strand, the learner should be able to: a) Spell words with short and long vowel sounds and consonant clusters. b) Use phonic knowledge to spell and write familiar and unfamiliar words	Why is it important to spell words correctly?	1. Learners write newly learned words on a word tree 2. Learner should be guided on the use of spelling strategies including knowledge of letter, sound correspondences, and common letter patterns	Flash cards, word trees, writing materials, stencil KLB Visionary English Activities Grade 2 pg. 65-66	learners participate in spelling challenge, dictation	

3	1	Listening	Story Telling	By the end of the sub-strand, the learner should be able to: a) listen attentively and confidently respond to stories	Who tells us stories?	1. Learners listen to a variety of stories about self, family, health, hygiene, and home from different sources (self, peers, teacher, a resource person (if available), audio recorded stories. 2. Learners respond to oral questions related to the story learned or orally recreate a story.	Props for storytelling, picture cards, story books, audio and video-record ed stories, resource person KLB Visionary English Activities Grade 2 pg.66	retelling stories, question and answer	
	2	Speaking	Phonological Awareness	By the end of the sub-strand, the learner should be able to: a) Recognize and say multiple letter-sounds to make syllables and words b) Blend and segment syllables correctly to form words. c) Use appropriate words to make short, meaningful sentences d) Appreciate the role of	What are some of the sounds we hear?	1. Learners blend syllables to form words and Sentences (blending and segmenting drills) individually, in pairs and groups, 2. Learners play auditory discrimination games to enable them to listen to different sounds 3. Learners give words that rhyme 4. Learners are guided to make a list of all the sounds they can hear from the environment	Audio and Audiovisual aids, Storybooks, Charts, Pictures KLB Visionary English Activities Grade 2 pg. 67	Form words and sentences	

				blending and segmenting in forming sentences		(My home, my community)			
3	Reading	Group Reading	By the end of the sub-strand, the learner should be able to: a) Read texts collectively with accuracy, fluency, and comprehension. b) Develop peer learning skills of self-assessment c) Improve confidence through peer support in group reading.	What is the importance of reading in groups?	1. Learners find answers to questions from texts read using think-pair-share. 2. Learners are divided into reading teams to facilitate peer learning and support 3. Learners retell story, events read in pairs and small groups.	Readers, newspapers, journals KLB Visionary English Activities Grade 2 pg. 69-70	Peer Assessment, question/answer, retelling a story read		
4	Writing	Spelling instruction	By the end of the sub-strand, the learner should be able to: a) Use phonic knowledge to spell and write familiar and unfamiliar words. b) Use simple editing strategies to correct spelling in simple sentences. c) Appreciate the importance of correct spelling in writing.	Why is it important to spell words correctly?	1. Learners identify spelling errors in own writing or unknown texts and provide correct spelling (spacing, punctuation, and spelling) 2. Learners practice spelling sight words 3. Learners participate in spelling challenge contest, individually, in pairs and groups.	Flash cards, word trees, writing materials, stencil KLB Visionary English Activities Grade 2 pg.71-72	learners participate in spelling challenge, dictation		

	5	Writing	Spelling instruction	<p>By the end of the sub-strand, the learner should be able to:</p> <p>a) Use phonic knowledge to spell and write familiar and unfamiliar words. b) Use simple editing strategies to correct spelling in simple sentences. c) Appreciate the importance of correct spelling in writing.</p>	Why is it important to spell words correctly?	<p>1. 						different status showing appropriate emotions (My family, my community)	English Activities Grade 2 pg.81		
	3	Reading	Silent reading	By the end of the sub-strand, the learner should be able to: a) Predict the meaning of unfamiliar words b) Answer comprehension questions from texts read	When do we read silently?	1. Learners answer comprehension questions from texts read 2. Learner should be provided with follow-up activities for sustained silent reading (e.g. retell what has been read) 3. Learners could be shown a picture spark that tells the same story (a wedding ceremony)	Readers, magazines, newspapers, journals, story books, class readers KLB Visionary English Activities Grade 2 pg.82-83	Question/answer, filling gaps	
	4	Writing	Handwriting	By the end of the sub-strand, the learner should be able to: a) Join letters to form meaningful words b) Use capitalization appropriately	Why should I write well?	1. Learners engage in a variety of handwriting activities to improve their writing (capital and small letters, commas and full stop), in groups, pairs and individually 2. Learners participate in writing contests in class, at school 3. Learners write dictated sentences, paying attention to the spacing (between and within words), punctuation and legibility.	Books, pencils, crayons, word puzzles, story books KLB Visionary English Activities Grade 2 pg.84	Teacher to provide a written text modelling good handwriting for the learners to copy in their book.	

	5	Writing	Handwriting	By the end of the sub-strand, the learner should be able to: a) Join letters to form meaningful words b) Use capitalization appropriately	Why should I write well?	1. Learners engage in a variety of handwriting activities to improve their writing (capital and small letters, commas and full stop), in groups, pairs and individually 2. Learners participate in writing contests in class, at school 3. Learners write dictated sentences, paying attention to the spacing (between and within words), punctuation and legibility.	Books, pencils, crayons, word puzzles, story books KLB Visionary English Activities Grade 2 pg.84	Teacher to provide a written text modelling good handwriting for the learners to copy in their book.	
8	1	Listening	Story Telling	By the end of the sub-strand, the learner should be able to: a) Appreciate their culture and values as taught through oral stories b) Empathise with familiar people in stories	What do stories teach us?	1. Learners listen to a variety of stories about self, family, health, hygiene, and home from different sources (self, peers, teacher, a resource person (if available), audio recorded stories 2. Learners respond to oral questions related to the story learned or orally recreate a story 3. Learners role play, ask questions, tell stories and sing songs related to the story learnt (themes: self, family, and home), in pairs and small groups	Props for storytelling, picture cards, story books, audio and video-record ed stories, resource person KLB Visionary English Activities Grade 2 pg. 80	Retelling stories, question and answer	

2	Speaking	Talk about	By the end of the sub-strand, the learner should be able to: a) Confidently talk about characters and events in a story or text	How can we talk to others in a proper way?	1. Learners discuss characters and events in a thematic story (prediction of events, seeking clarification by asking questions) 2. Learners role play greeting people of different status showing appropriate emotions (My family, my community)	Audio and Audio visual aids, Resource persons KLB Visionary English Activities Grade 2 pg. 81	Panel discussion on an issue affecting the Community e.g jigger infestation, malaria	
3	Reading	Silent reading	By the end of the sub-strand, the learner should be able to: a) Predict the meaning of unfamiliar words b) Answer comprehension questions from texts read	When do we read silently?	1. Learners answer comprehension questions from texts read 2. Learner should be provided with follow-up activities for sustained silent reading (e.g. retell what has been read) 3. Learners could be shown a picture spark that tells the same story (a wedding ceremony)	Readers, magazines, newspapers, journals, story books, class readers KLB Visionary English Activities Grade 2 pg.82-83	Question/answer, filling gaps	
4	Writing	Handwriting	By the end of the sub-strand, the learner should be able to: a) Join letters to form meaningful words b) Use capitalization appropriately	Why should I write well?	1. Learners engage in a variety of handwriting activities to improve their writing (capital and small letters, commas and full stop), in groups, pairs and individually	Books, pencils, crayons, word puzzles, story books	Teacher to provide a written text modelling good handwriting for the learners to copy in their book.	

						2. Learners participate in writing contests in class, at school 3. Learners write dictated sentences, paying attention to the spacing (between and within words), punctuation and legibility.	KLB Visionary English Activities Grade 2 pg. 84		
	5	Writing	Handwriting	By the end of the sub-strand, the learner should be able to: a) Join letters to form meaningful words b) Use capitalization appropriately	Why should I write well?	1. Learners engage in a variety of handwriting activities to improve their writing (capital and small letters, commas and full stop), in groups, pairs and individually 2. Learners participate in writing contests in class, at school 3. Learners write dictated sentences, paying attention to the spacing (between and within words), punctuation and legibility.	Books, pencils, crayons, word puzzles, story books KLB Visionary English Activities Grade 2 pg. 84	Teacher to provide a written text modelling good handwriting for the learners to copy in their book.	
9	1	Listening	Story Telling	By the end of the sub-strand, the learner should be able to: a) listen attentively and confidently respond to stories b) develop an interest in listening to oral stories		Learners listen to a variety of stories about self, family, health, hygiene, and home from different sources (self, peers, teacher, a resource person (if available), audio recorded stories	Props for storytelling, picture cards, story books, audio and video-record ed stories, resource person	retelling stories, question and answer	

				c) develop their creative and imaginative power as they create mental images of the oral stories.		2. Learners role play, ask questions, tell stories and sing songs related to the story learnt (themes: self, family, and home), in pairs and small groups	KLB Visionary English Activities Grade 2 pg. 86-87		
	2	Speaking	Talk about	By the end of the sub-strand, the learner should be able to: a) Confidently talk about characters and events in a story or text. b) Demonstrate interest to address familiar people using appropriate verbal and nonverbal expressions.	How can we talk to others in a proper way?	1. Learners are prompted to retell stories (creativity, turn-taking, vocabulary practice) 2. Learners recreate stories using different media individually, in pairs and groups.	Audio and Audio-visual aids, Resource persons KLB Visionary English Activities Grade 2 pg.87	Panel discussion on an issue affecting the Community e.g jigger infestation, malaria	
	3	Reading	Silent reading	By the end of the sub-strand, the learner should be able to: a) Predict the meaning of unfamiliar words d) Answer comprehension questions from texts read. c) Develop an interest in reading texts for enjoyment.	When do we read silently?	1. Learners discuss questions after silent reading in pairs and groups 2. Learners answer comprehension questions from texts read 3. Learner should be provided with follow-up activities for sustained silent reading (e.g retell what has been read.	Readers, magazines, newspapers, journals, story books, class readers KLB Visionary English Activities Grade 2 pg.88-89	Question/answer, filling gaps	

	4	Writing	Handwriting	By the end of the sub-strand, the learner should be able to: a) Use capitalization appropriately b) Appreciate the importance of clear and legible handwriting	Why should I write well?	1. Learners use a variety of handwriting activities to practice letter patterns, word patterns, and sentence patterns 2. Learners observe and practice handwriting as is displayed.	Books, pencils, crayons, word puzzles, story books KLB Visionary English Activities Grade 2 pg.90	Teacher to provide a written text modelling good handwriting for the learners to copy in their book.	
	5	Writing	Handwriting	By the end of the sub-strand, the learner should be able to: a) Use capitalization appropriately b) Appreciate the importance of clear and legible handwriting	Why should I write well?	1. Learners use a variety of handwriting activities to practice letter patterns, word patterns, and sentence patterns 2. Learners observe and practice handwriting as is displayed.	Books, pencils, crayons, word puzzles, story books KLB Visionary English Activities Grade 2 pg.91	Teacher to provide a written text modelling good handwriting for the learners to copy in their book.	
10	1	Listening	Story Telling	By the end of the sub-strand, the learner should be able to: a) listen attentively and confidently respond to stories		Learners listen to a variety of stories about self, family, health, hygiene, and home from different sources (self, peers, teacher, a resource person (if available), audio recorded stories	Props for storytelling, picture cards, story books, audio and video-record ed stories,	retelling stories, question and answer	

				<p>b) develop an interest in listening to oral stories</p> <p>c) develop their creative and imaginative power as they create mental images of the oral stories.</p>		<p>2. Learners role play, ask questions, tell stories and sing songs related to the story learnt (themes: self, family, and home), in pairs and small groups</p>	<p>resource person</p> <p>KLB Visionary English Activities Grade 2 pg. 86</p>		
	2	Speaking	Talk about	<p>By the end of the sub-strand, the learner should be able to:</p> <p>a) Confidently talk about characters and events in a story or text.</p> <p>b) Demonstrate interest to address familiar people using appropriate verbal and nonverbal expressions.</p>	<p>How can we talk to others in a proper way?</p>	<p>1.
