Practitioner/Partnership Workshop Guidelines #NASUP2026

General Information

- Practitioner/Partnership Sessions last for one hour.
- **SUP Practitioner-Focused Workshops**
 - These workshops focus on practitioner instruction with practical applications.
 - **Participants should be actively involved with takeaway ideas and digital or physical resources.**
- **SUP Partnership-Focused Workshops**
 - These workshops emphasize collaboration between educational partners such as schools, community organizations, and/or higher education.
 - Sessions should highlight strategies for strengthening partnerships, fostering mutual goals, and enhancing impact across systems.
 - **Participants should engage in discussion and idea-sharing, with tangible takeaways or resources provided.**

Prior to Start of Session

1. Arrive at least 5 minutes prior to the start of the session and have A/V and materials ready.

During Workshop Session

1. Ask attendees to briefly introduce themselves and their interest in the workshop.
2. Share topic and purpose of workshop.
3. Engage attendees with interactive learning.
4. Allow attendees to share take-aways from the session.

After Workshop Session

1. Be mindful of the time, and end the presentation on time.
2. Take any extra materials and clean up the area for the next session.
