

Blackwell School District
Covid-19 Protocol
Winter Sports

Do not attend any school events, if you show any symptoms of COVID-19 such as, fever, sore throat, cough, chills, shortness of breath or loss of taste or smell or if you have been in close contact with anyone diagnosed with COVID-19 in the last 14 days.

For all spectators, masks are **highly recommended** at all times but especially in entrance areas, concession areas and restrooms. Please sit as a family and keep a minimum of 2 seats between non family groups. Always practice social distancing when possible while in the ticket line, concession line and bathroom. Please do not congregate in the lobby area before and after the contests. These recommendations are for your safety, but mainly for the protection of our student-athletes so they may continue to compete in their particular sport for the remainder of the season.

HS Fieldhouse- Visitor section will be located at the southwest bleachers directly across from the visiting team. All visitors must sit in this section of the field house.

Children (**6th grade and lower**) must be accompanied by an adult at all times while in the field house.

MS Gym— visitor section will be located at the East side of gym, directly behind the score table and **vacate the first row**.

Visiting teams go directly to the locker room and/or sit in the designated visitor section.

All home High School games and matches will be live streamed over Facebook.

Basketball is listed under Blackwell Maroons Basketball

Wrestling is listed under Blackwell Wrestling Club

Please help us in following the above protocols so that our students can continue participating in extracurricular activities.

All protocols are subject to change depending on active COVID-19 numbers in our school and community.
