

My name is Hannah Miller and I am currently a junior at St. Charles East High School in St. Charles, Illinois. As a player, I believe in hard work, commitment, teamwork, goal setting, and always finding that one thing that can step up my level of play. I have accomplished many of my goals in my soccer career so far. I started playing soccer at the age of 3 and my love for the game has grown every day since then. Some of my biggest accomplishments include playing on the ODP Illinois State select team from 2014-2016, winning the ODP regional cup in 2016. Following that win in August, I was invited to the US Youth Soccer Midwest Region II camp in Michigan. In my high school career, I started as a freshman on the varsity level, ending that season with three goals and six assists as an outside back as a number 2. That year my team won the Regional Championship and I was named Honorable Mention All-Conference. My sophomore year brought a change in my position to play the 11 as an outside winger and it became my team's second year in a row winning the Regional Championship. At the end of the year, I was named All-Conference, All-Sectional, Dukane Conference 2018-2019 Golden Boot Award for most goals during conference play and Most Improved on my team because I scored 23 goals and had 14 assists. I will strive this coming year to beat that score. My club season was a huge success as well. I am the starting 11 on the Campton United U19 USYS Premier Red Team playing valuable minutes and at times full games. During our winter season, I was awarded the CNPL Golden Boot Award, scoring 11 goals in 7 games. This past summer my team finished second at Nationals in Colorado in which I started every game and scored my third career hat trick! Most recently my team finished first in the state this travel season and became State Cup Champions.

Academics are just as important as soccer to me. I take pride in the fact that I currently hold a 4.8 G.P.A and take A.P. and Honors classes. As you can see, I am very goal-oriented and have a lot to offer academically and athletically. As if my SAT scores and ACT I have not officially taken those tests yet so those are unavailable. I have also provided video footage that I hope you have time to view. My coaches are Scotty Keena, scott@camptonunited.com, Trey Bradburry, 217-840-6699, and Vince Dinuzzo, Vincenzo.dinnuzo@d303.org, if you have any questions. I can be reached at 331-210-2543 or hlmiller10@icloud.com.

As for my home life, I have a mom, dad, and sister who currently goes to college at the University of Colorado. My family is a very outdoor family that enjoys hiking, swimming, skiing, biking, and much more. Some of my personal hobbies include snorkeling/ scuba diving, skiing, shopping, surfing, traveling to various countries, and hanging out with friends and family. In my future, I hope to major in some kind of business revolving around fashion and the marketing side of it, but soccer is my favorite hobby and passion. I play soccer for many reasons, one being for the love I have for the game. Soccer not only is a fun game but it creates relationships with teammates and coaches that are everlasting, teaches one about teamwork, responsibility, and time management. Lastly, because of the hard work that one has to put in to become the player one wants to be. Soccer isn't only a sport I play for

fun, it is a lifestyle that I choose to live and teaches me principles that are helpful for my everyday life. Soccer teaches me how to set goals and how to accomplish them. Sports have taught me how to manage my time on the field, in the classroom, and with my personal life. I play soccer because I love it and it makes me happy.

Here is a video overview of my highlights from sophomore year conference play. <http://www.hudl.com/v/2BG1PH>

Here's a video of my first high school hat trick during the conference play <http://www.hudl.com/v/2BJkVH>.
