

CHARACTER • SCHOLARSHIP • LEADERSHIP • SERVICE

Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. Chapters in more than 12,500 high schools across the nation strive to give practical meaning to the mission statement of National Honor Society. National Honor Society has four main purposes: "To create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools."

Membership, however, is more than an honor. It incurs a responsibility and an obligation to demonstrate those outstanding qualities that resulted in your selection. In order for our chapter to be effective and meaningful, each member must become involved. One way to live up to your obligations is to participate in all of the chapter meetings and projects. In addition, you must continue to have strong academics, service, leadership, and integrity, including your online presence in social media. Violations of these essential elements could result in your expulsion from the society. Your involvement will promote a positive experience and enhance the club.

Please return this letter to the chapter advisor, Mr. Chance, in room 401 by **Friday January 30th.**

Sincerely,

Mr. Ken Ezratty
