- Attend a Student Council preliminary meeting. At this meeting, you will be welcomed to Student Council and will further clarify your leadership role at PHS. This meeting time will be announced after the elections.
- Attend weekly meetings on a class level to work on class events, to raise money for the Junior/Senior proms, the Senior Class gift and any other activities that promote inclusiveness. These weekly meetings typically take place on Mondays during lunch.

These three meetings are scheduled by Student Council members and usually take place on Saturday mornings. The principal and/or members of the PHS administration are present to hear the Senate act as the voice of the student body.

 - 1) act as model representatives to our school, Portsmouth High School alumni and the surrounding community.
 - 2) act as a political voice for the student body.
