Thompson Park Skatepark: The Dalles' Premier Destination for Skaters and Riders

Thompson Park Skatepark, located at 602 W. 2nd Street in The Dalles, Oregon, has evolved into a premier destination for skateboarders, BMX riders, and scooter enthusiasts. Managed by the Northern Wasco County Parks and Recreation District, this facility offers a diverse range of features catering to various skill levels.

Diverse Features and Amenities

The skatepark boasts an 8,700-square-foot concrete layout, including a quarter pipe, bent penny, rails, an 8-stair, and other elements suitable for both beginners and advanced skaters. Additional amenities such as picnic tables and nearby restrooms enhance the overall experience for visitors.

Community-Driven Enhancements

In response to community input, the park has seen significant upgrades. Local skaters participated in selecting new features, resulting in the installation of brightly colored rails, a curb spine, and bench ledges. These additions not only improved the park's functionality but also reflected the preferences of its regular users.

Upcoming Expansion Plans

THE WOODS

The skatepark is set to undergo a substantial expansion, thanks to a \$300,000 grant from the National Park Service, administered by the Oregon Parks & Recreation Department. The planned 14,550-square-foot addition will include a concrete skateboard bowl and an asphalt pump track, effectively tripling the park's size and providing diverse terrain for riders of all skill levels.

Enhanced Accessibility

To accommodate users during cooler evening hours, overhead lighting has been installed. This improvement addresses the community's desire for extended playtime, especially during the warmer months.

Community Events and Engagement

Thompson Park Skatepark also serves as a venue for community events. For instance, the "Movies in the Park" series offers family-friendly entertainment during the summer months, featuring films like "Despicable Me," "Jumanji," and "Coco." These events foster community engagement and provide additional recreational opportunities for residents.

In summary, Thompson Park Skatepark exemplifies how community collaboration and investment can transform a recreational facility into a vibrant hub for both enthusiasts and families. With its diverse features, planned expansions, and community-focused events, it stands as a testament to the positive impact of inclusive recreational spaces.
