Questions to Ask Volunteers about Careers

1. What do you love about your job?
2. What made you think about doing this as a career?
3. What drives you to do well?
4. Did you have to train for this career? Was it through a college path, or was it by some other way?
5. How do you touch other people's lives through your career?
6. Has this been your only career? If not, what made you change careers?
7. What kinds of materials do you have to use every day? For example, do you use a computer, heavy equipment, or measurement tools?
8. How do you know when you're doing your job well?
9. Do you have to continue to train for your career?
10. Do you work closely with other people, or mostly on your own? How or why?
11. What are some of the challenges you have encountered in your career?
12. What is the salary range for people at your company?
13. What are some of the benefits of working for your company?
14. Why should I consider following your career path?
15. What do you like to do outside of your career?
16. How does what you learned in school related to what you do now?
17. What was your favorite subject in school?
18. Where did you go to college? What was that like?
