 - c. I will provide a sketch via your preferred method of contact. At this stage it is up to you to let me know what I should change. Once the sketch is approved, no more changes will be made to the lineart. I am happy to do minor color corrections or shading and effects corrections after sending the final version.

 - c. If uploaded to Toyhouse upon completion, please credit me (@queen_of_the_m0on) as the designer.
 - d. Please provide a moodboard with the desired aesthetic/vibe for the character, along with a few “must-haves” for the design (species, accessories, etc). Other than that, it will primarily be artistic liberty.

Any violation of the TOS can result in first a warning, and then a ban/blacklist from future adopts, designs, and commissions. If you have any questions, please ask! I am always happy to help clarify or resolve anything that was not made apparent. After reading through this, copy the below sentence into your request/commission description.

I agree to Queen of the MOon Art's Terms of Service contract, and will reach out if I have any extra questions.
