

**“Dave has a magic way of making you feel like an old friend with songs that are original and intimate. He is a master guitarist who plays his own intricate Flamenco influences finger-style music with laid back island feel.”**

**“You have a Treasure in your midst...The Great Dave Feder...”**  
**-Jimmy Buffett**

Dave Feder has carved out a niche of his own, playing a signature blend of Flamenco-infused Folk music. His laid-back style easily disguises his virtuosity on the nylon string Flamenco Guitar. Three decades of island-living in the Florida Keys has influenced Feder’s breezy, approachable, and sophisticated music. His musicianship incorporates miles of style, (savvy yet innocent, intelligent yet accessible) woven into a personal journey telling stories about life through the strings of his guitar. Feder has been praised by *NPR’s All Songs Considered*, *World Café Live*, *PBS Art Loft*, *NPR’s Folk & Acoustic Music*, *The Miami Herald* and *Time Out* magazine among others. Feder spent six weeks at the top of the Broadjam World Music Chart with his critically acclaimed album “Black Emerald” and has been featured on *All My Children (ABC)*, *Art Loft (PBS)*, the *NBC Good Morning show*, National Park Service Educational Videos, and Florida Everglades Documentaries. Feder is a founding member of ICE — a 501C3—that provides scholarships for students pursuing arts, music and dance.
