(opens with Ted and Guy playing SUPER MARIO KART)

G: ah common man you just cut me off bro

T: We're playing mario kart it isn't a friendly game

G: yeah but-

giigu: WHAT ARE YOU TWO DOING?

G: Dude what they hell you cut off out or mario kart game

Ted: Yeah I was about to win on rainbow road

giigu: YOU ARE NOT HERE TO PLAY MARIO KART, YOU'RE HERE TO CAPTURE NESS

Guy: That dumbass kid that beat your ass?

Ted: Even so, you didn't even allow us to have the correct amount of Mooks and lil UFOs to make a platoon

giigu: I didn't?

Ted: Man i dunno, you write the hand book

giigu: Eughhh, look just find Ness, OK?

Ted: fine

Guy: We'll report back soon

Guy: president giigu is a pain in my ass, first he ruins my mario kart game and now we gotta go after that snot nosed kid

Ted: Look we'll just find him, rough him up a bit then go home

Guy: Alright alright, I mean you owe me on that one you cut me off

Ted: I didn't cut you off its mario kart!!

...

MEANWHILE

Twoson, eagleland

Arn: Hey can I place out some strawberry tofu, y'know for the annual gift man?

Varik: yeah that's fine.

Varik: ...

Varik: Hey wait a minute, the annual gift man isn't even real

Arn: He is too, and I don't want virii on my pillow again cause I didn't put out tofu

Varik: Don't set that plate down, you're gonna leave it there and it's gonna mold, then i'm gonna have to clean it up

Arn: No I won't, you're such a grinch Varik, the gift man is definitely gonna leave Virii on your pillow

Varik: He can't cause he's no-

CCCCCCCCRRRRRRRRRRRAAAAAAAAAAAAAASSSSSSSSSSSSSSHHHHHHHHHHHHHHH

Arn: Damn Varik, you're such a non believer the gift man has come himself to beat your lame ass

Varik: There's no fucking way.

COUGH COUGH COUGH

Ted: Ted, I mean Guy remind me not to let you pilot the ship when landing again

Guy: I will Guy, I mean Ted

Varik: What the hell are you alien fucks doing here, I told B.H. Pirckle i'm on holiday

Guy: B.H. Pickle? never heard of em, we're here on official business of president Giigu

Ted: We're here to confiscate a kid named Ness

Arn: The dude that beat both Santa's and Giygass's ass?

Varik: he's kind of a jerk I don't know why you'd wanna see him

Ted: Honestly, no clue, we're just following giigu's orders

Varik: well then you're shit out of luck cause we have no clue where he is

Ted: Damnit but his GPS said to go to this exact house!

Arn: Well first of all, he lives in Onett, not Twoson. Secondly, you see there was kind of this crazy rift in timelines when Varik showed

up here, and, anyways, essentially Ness is supposed to be where Varik is but since both are present it messed up readings on stuff

like PKhack, and it made Ness kinda pissy so he ran off and now we don't know where he is.

Ted: You didn't go after a small child that could potentially hurt himself or others?

Variks: he's fine, if something was wrong I'd know it, again we live in different towns anyways, he's probably just chilling with his mom or something

Guy: Whaaaaatever, we're heading out

Ted: yeah, bye

Arn: Bye bye

Varik: good riddance

VRIIIIIIII (ufo flys off)

Varik: eugh I swear I'm supposed to be on break, I deal with enough of this crap with my job...

Varik: Arn.

Arn: What?

Varik: Did those dumbass gieegs crash into the house

Arn: yeah, obviously.

Varik: ... like, INTO the house, like, BREAKING the house

Arn: uh. yeah.

Varik: ooooooohhhh my goooood. dude, what the hell, Penny is gonna be so pissed

Arn: It's not like its your fault

Varik: I know, but I, y'know, also live here

Arn: Oh right.

Varik: eugh, what am I gonna do...

...

Arn: Uh, i'll uh, go call... penny..

BRING BRING

Penny: Mach pizza how ca-

Arn: Dude I got mad news

penny: Arn, you gotta learn that I have something called a cell phone, if you keep taking minutes off the mach pizza phone my boss is gonna kill me

Arn: Yeah yeah, uhm, so this alien came and uh crashed into your house... and uh... like half the house is broken now

Penny: Wha- arn you're joking right

Arn: uh. no.

Penny: How could you let this happen?! ooowwwwhhhhhh, my parents are co leased on that house!

pannel 1:

(mach pizza boss): Penny! get off the phone! you have work to do

Penny: In a minute!!

pannel2:

Varik: dude let me have the phone

Anr: oh uh yeah

penny: Eugh, and you had to tell my this on the one day we're busy (I don't understand why anyone would want pizza near christmas)

Varik: Look Penny I'm really sorry we'll get it fixed

Penny: eruggghh, you better, I don't wanna be mad but you know i have horrible insurance

Varik: I know

Penny: Alright.. Alright... my shift ends in an hour then i'll come home and look at it ok?

Varik: ok.

CLICK

Arn: Well that could've been worse

Varik: dammit i'm gonna go beat Ness's ass

Arn: What?!

Varik: it's his fault those gieegs came and then crashed into Penny's house, also, they're still gonna be going after ness so we'll find them that way

Arn: I thought you were on break, no beating people up

Varik: Not anymore I guess

...

A BIT LATER

Onett, eagleland

Tracy: Not you on this again, ain't halloween enough for you

Ness(in lord blazer outfit): No I sense something. I'm not doing this persona for spooks tonight, i'm dawning it to keep away danger

Tracy: Well if paula thinks you're a nerd that isnt my fault

Ness: You'll thank me later tracy! Later! i'll be back

Tracy: dumbass.

[Ness goes to look out the window]

Ness: they will be here soon, they'll see, they'll all see!! GIYGAS IS RETURNING!!

...

MEANWHILE

Guy: man where the hell is this kid, he's like, untraceable

Ted: its this damn gps shit the elf dude was talking about, PKhack is getting conflicting coordinates

Guy: I told you we should've updated our gps to coilsnake

Ted: no, i told you that, but you decided we should spend the money on pizza

Guy: I did?

Ted: yeah, but I agree, that pizza was good  
Guy: anyways how are we gonna find this kid?  
Ted: on foot I guess  
Guy: ah dude that sucks  
Ted: we'll just got out for like a half an hour tops then go home  
Guy: alright, bet

...

#### AROUND THE SAME TIME

Varik: Y'know Arn I don't know how you don't get cold with what you wear  
Arn: what do you mean  
Varik: I mean its like 25°F outside and you're only wearing a ragged sweater. I mean I might be wearing little but I also have armor and it's super heavy so it heats me up more to move.  
Arn: varik, tsk tsk tsk, I usually live in like a snow desert, this is nothing. Its usually like -15°F  
Varik: you're crazy  
Arn: speakin' of crazy, isn't that Ness's house up there?  
Varik: eyup, time to beat some asses

...

\*Ding Dong\*  
Nmom: ah hello the- EEK, who are these people  
Varik: we're looking for ness  
Ness(again still in lord blazer outfit): Ahah! There you are! I semi expected your arrival!  
Arn: who else are you expecting?  
Ness: those gieegs? Helloooooooo, they're after me!  
Varik: Actually that's why we're here  
Ness: Ah yes, I've been practicing my PSI abilities to read you, I know you've had a change of heart and have come to protect me against giygass  
Varik: well you need to keep practicing kid cause you're wrong  
Ness: common man you can't be mad at me again, I didn't do anything  
Varik: you sure enough had to do something to get those gieegs to come after you, spit it out already!

...

#### SEWERS, FOURSIDE

Ted: man we've been walking around for like hours are you sure that map is correct?  
Guy: uh.. uh.., oh there's the problem I had the map upside down  
Ted: ugh, you're useless give me that. ... you didn't have it upside down we went to the wrong town  
Guy: huh? Really?  
Ted: yes!!  
Guy: eugh back to the ship, we'll go to Onett

...

Ness: Look I know when you got here, you thought you could completely take my place. But that's just not the fate of the world now is it hm? I was returned here because they so willed it, if anything you shouldn't be here.  
Varik: But.. I, I like it here

Ness: It doesn't matter if you like it here its not up to you or me its up to them.

Varik: Damn kid, You need to learn to keep your mouth shut

Ness: I think you should go home

Varik: I cant!

Arn: time out.

Ness & varik: huh?

Arn: sorry I just... gotta...

Varik: what are you doing with that dinky ass pda get an actual phone

Arn: im not using it as a phone, im using PK Hack on it

Varik: is the even possible?? Can't it only work on mr.accident's computer

Arn: I made a modified version, don't worry about it

Ness: what the hell is going on, what is this time out for?

Arn: ah just so I could get a canon over here

Ness: A canon?!

Arn: booyah there it is!

A: Hahaha, prepare to face my wrath!

...

AGAIN, AROUND THE SAME TIME

Guy: aaaalright, we're in Onett

Ted: dude, are you serious, does this look like Onett to you?

Guy: uh. I guess?

Ted: no, no, Its not, we're in threed man, we're in threed. Its too spooky and overused. We're over playing it even more by even making this gag.

Guy: eugh, I haven't even been to Onett before! Look why don't you drive then if you know so clearly where Onett is.

Ted: Fine, give me the wheel

...

A FEW SECONDS LATER

\*BAWP\*

Varik: You actually shot that canon at him??

Arn: he was being mean to you, and you're my brother I had to do it for you

Varik: we're not actually related

Arn: close enough.

Muwahahahaha

Varik: ah what the hell

Ness: you didn't believe you could defeat me so easily? Hm?? A PSI master such as myself is much more powerful than a mere canon imported via PK Hack, heueue

Varik: Ok jackass, wanna play? You're all bark and no bite

Ness: Dont be so sure of yourself, you excuse for a player 2

...

ONETT, EAGLELAND (finally)

7時半

Guy: finally, we're here in Onett

Ted: it would've taken less time if you could actually use a map

Guy: but that's what gps is for! And anyways the journey is more important than the destination

Ted: eugh, sure

Guy: so where is this Ness's kids house anyways?

Ted: It's up that hill over there

Guy:eeeeugghhh, that's sure a steep hill

Ted: yeah...

...

...

Ted: so you just wanna go back to the ship and leave earth?

Guy: yeah

Guy: I bet a rusty venture you can't beat me on shy guy beach

Ted: you wanna go?

...

AND NOW FINALLY

\*CRASH\*

\*CLANK\*

\*BANG\*

Ness: You dont want to accept that I am clearly the superior PSI wilder

Varik: I dont use psi!

Ness: well your magic is close enough

Varik: no, no, its no where near the same

(... ok author note im gonna improvise some stuff to go here cause... like... its just then battling and thats mostly with the drawings)

Nmom: you boys thirsty?

Arn: hm? Oh uh yeah I guess

Nmom: Hold on

Nmom: Orange juice or apple juice?

Arn: Apple please, I have a tangerine friend, you see if I drink citrus he'll kill me

Nmom: those two sure do fight for a long time

Arn: yeah, it's how they are, I think it's like... in their dna?

\*ness gets thrown hard across the screen\*

Nmom: Ness! Ohhh I can't watch

\*ness gets up from being hit to the ground and starts floating upwards charging an energy beam with one hand\*

Ness: This is the end for you Varik.

\*ness throws the energy ball down at varik\*

Varik: Why, Why can't you let me be, you haunt me with your presence everyday you're alive

Ness: Same could be said by me to you, and besides the fact you're a murderer, you shouldn't be here, In fact I should kill you now in some hope you'll be forced to return home

Varik: ...

Ness: What are you afraid to die now? After how many you've killed

Varik: No I'm not afraid...

Ness: Then what is it?

Varik: ... you'll always be remembered, I won't be, it's why I have to fight for myself to even continue to exist, you don't have to, people fight for you

Ness: Oh, like my life is easy

Varik: I know its not, but think about how many people that love you, I only really have two people

Ness: Are you not grateful for them?

Varik: I am. But you don't understand me, not from where you stand.

Ness: GRAH, you bastard you shouldn't even be here! Don't try to guilt me! I'm the one in control, I am! You'll never change that, NEVER! I am Lord Blazer! I control this world, I do! YOU MEAN NOTHING!

\*Ness grabs his bat from his red cloak and swing it so hard on varik he goes flying down the hill of ness's house\*

\*Arn and Ness's mom look a tad frightened\*

\*Fades to black\*

...

penny: Varik \*huff\* there you are

Varik: huh? How'd you know I was here?

Penn: You always \*huff\* think its thats kid's fault whenever you have problems wether he's actually involved or not

(Tired from walking so long)

Varik: well... he...

Penny: Hun, you gotta learn to let it go

Varik: \*sigh\*, I know

Varik: I just dont know what else to do this is just the life I lead especially with my job in all

Penny: but you dont have to stay in your profession, you can alway quit, change how you are

Varik: I cant, I've seen too much, killed one too many people, I can't be a normal person anymore, if I ever even was that is

Penny: do you still hear them?

Varik: who?

Penny: the person who commands you to move when you don't want to

Varik: no, but I think that kid still has em in him. It's been since the 90s I don't know how

Penny: yeah, but you don't, so worry about yourself

Varik: ... y'know I could say that, that Ness kid? Has some dawg in him

Penny: pffff

Ha ha ha ha ha ha

Penny: let's go home, hm?

Varik: Alright

Post story:

10 時

Penny: You've been blessed by the gods with the fact that the ACE near us is open so late. I swear, if you're first instinct wasn't to go fight that kid we could've been done with sealing the hole off hours ago

Varik: yeah, well... Y'know I feel like we're forgetting something

Penny: No it seems pretty well patched up I mean...

Varik: We left Arn at Ness's house!

Penny: Oh common, Arn is a grown man he can find his way home (he doesn't even live here)

Nmom: So is your friend going to be back soon to pick you up?

Arn: My brother, and yeah don't worry about it (my blunt ran dry though)

...

Guy: Yes!! I won!!

Ted: Finally... after what... like 20 rounds...

Guy: sigh, you don't understand a true god tier player needs a warm up

Ted: Y'know I'm surprised president giigu never gave us a call back about kidnaping that kid

Guy: Since when did we care about giigu's orders

Ted: fair.

Guy: man I'm hungrier than a bitch wanna get some lemon drops and watch the tonight show

Ted: yeah why not

\*show some panel of the annual gift man cause yeah, he will be like reading the story as a book or something\*
