🌟 Future-Ready Careers:

The skills teens develop at WTP — leadership, global citizenship, innovation, storytelling, collaboration — give them an advantage in **over 3,000 careers worldwide**, making WTP one of the most future-aligned learning experiences available.

The Crucial Advantage: Zero Operational Burden on Your School

We've designed the WTP to maximize student impact while requiring **zero extra workload** for teachers or use of school infrastructure.

Concern	The WTP Solution
School Infrastructure	All Parliamentary Sessions, Masterclasses, and training are conducted on WTP's fully online platform . No need for classrooms, internet, or AV facilities.
Teacher Time	The Teacher Coordinator's role is strictly for monitoring safety, attendance, and compliance . They are not required to organize, teach, or conduct any sessions.
School Schedule	All sessions are held after regular school hours , ensuring zero disruption to your academic timetable.
Organization	Activities are managed by student-led teams, who are supported directly by WTP project staff .

The WTP is solely focused on empowering your students while keeping your school's operations free of extra workload or operational concerns.

What Principals Are Saying

“Becoming a World Teen Parliament City Chapter has completely transformed our students. They’ve grown into confident global thinkers — leading discussions on real-world issues, collaborating internationally, and taking pride in creating social change.”

— Principal, Bangalore

“The World Teen Parliament has given our students a true head start in life. Beyond academics, they’re gaining exposure, leadership, and communication skills that prepare them for global careers and future opportunities.”

— Principal, Delhi

Partnership Tiers (Annual)

The Exclusivity Imperative: Secure Your Title Before Your Competitor

The value of the WTP Chapter title is defined by its scarcity. We have redefined the slot availability to guarantee **hyper-local exclusivity** for the first institution to confirm its partnership.

Once a slot is confirmed, that prestigious title is permanently reserved for your school in that designated territory, provided you renew the Annual Partnership Fee.

****Please Note - Prices will increase from 5th, December, 2025****

Partnership Tier	Exclusivity (Max Slots Defined by Territory)	Fee (INR & USD)
Campus Chapter	Multiple (Non-Exclusive)	₹40,000 (\$460)
City Chapter	Only 1 per Major Urban Zone*	₹80,000 (\$910)
State Chapter	Only 1 per key region of the state	₹1,60,000 (\$1,810)
Zonal Partner	Only 1 per Strategic Regional Bloc	₹4,20,000 (\$4,800)
Country Partner	5 per country	₹8,40,000 (\$9,600)
Global Partner	By Invitation Only	₹14,00,000 (\$16,000)

(+18% GST & 3% online payment fee)

All roles include **co-hosting privileges, branding, and visibility**.

All WTP Chapter School payments from institutions outside India are processed through our authorized service export partner, OKZNS Worldwide LLP.

***Hyper-Local Exclusivity Clause:** The City Chapter status grants exclusive hosting rights within one **Major Urban Zone/Sector** (e.g., North, South, Central). This

ensures you are the sole WTP Chapter within your immediate competitive sphere. A maximum of 6 distinct Urban Zones/Sectors are available per city/metro area.

This is a time-sensitive opportunity. Securing your institution's Zone now locks out your nearest competitors forever.

NEP 2020 & NCF 2023 Alignment

Becoming a World Teen Parliament Chapter School helps your institution **fulfil key NEP 2020 and NCF 2023 mandates** by enabling **experiential learning, student leadership, civic engagement, global citizenship, competency-based education, and real-world skill development**. Through debates, parliamentary simulations, global expert sessions, and structured student leadership opportunities, your school complies with major **NEP 2020 Sections 4.4, 4.6, 4.7, 4.23, 4.27–4.29, 5.31–5.32, 6.8–6.9, 8.6–8.9, 11.8–12.3, 21.2–29.4** and aligns with **NCF 2023 requirements for constitutional values, 21st-century skills, holistic development, clubs, experiential learning, and performance-based assessments**.

Global Curriculum Alignment

The **World Teen Parliament** model complements major **national and international school curricula** by promoting experiential, inquiry-based, and project-driven learning. It supports the **IB Learner Profile**, the **Cambridge Global Perspectives framework**, and the **UNESCO SDG-based education goals** by nurturing skills such as **critical thinking, leadership, research, communication, and collaboration**.

For schools following **CBSE, ICSE, IB, Cambridge, or national boards worldwide**, WTP provides a **real-world platform** where students apply classroom learning to civic problem-solving, global dialogue, and democratic action — fostering the kind of **21st-century competencies** emphasized by all leading education systems across the world.

🌍 Learning Approach at WTP

The **World Teen Parliament** is designed as a **self-learning program**, not a traditional teaching program. Our role is to provide guidance, structure, and opportunities, while students take the lead in exploring, experimenting, and learning by doing.

This approach helps students:

- Develop **self-reliance, ownership, and initiative** in their learning.
- Experience a **University-like environment** while still in school, preparing them for higher education and beyond.
- Transform into **life-long learners**, a critical skill for thriving in the fast-changing world of the future.

By becoming part of WTP, students are not just participants—they are **active change-makers** shaping their own journey.
