Brief Bio: Andy was born with a very rare and extremely dangerous condition known as Congenital insensitivity to pain and anhidrosis (CIPA); in which he cannot feel pain. His lack of pain awareness often leads to him developing wounds, bruises, broken bones, and other health issues. Most importantly, his loss of limbs. Because of his condition, Andy had joined freak shows early on to perform vulgar and grotesque stunts.

Talents: Knife throwing, sword swallowing, juggling, balancing acts, regurgitation, fire acts, etc.
