B. Step One

In the event that a bargaining unit member or the Association believes there is a grievance, he/she shall first discuss the alleged grievance with his/her immediate supervisor, either personally or accompanied by an Association representative. The discussion shall occur within twenty (20) school days of the violation,

misinterpretation, or misapplication or within twenty (20) school days of the discovery thereof, if not apparent at the time of occurrence.

The arbitrator shall have no power to alter, add to, or subtract from, the terms of the Agreement. Both parties agree to be bound by the award of the Arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

G. The fees and expenses of the arbitrator shall be shared equally by the parties.

H. If any bargaining unit member for whom a grievance is sustained shall be found to have been unjustly discharged, he/she shall be reinstated with full reimbursement of all compensation lost. If any bargaining unit member shall have been found to have been improperly deprived of any compensation or advantage, the same or its equivalent in money shall be paid to him/her and his/her record cleared of any reference to this action.

Compensation will be paid on the first pay in April.

ARTICLE 11 SENIORITY

- A. Seniority shall be defined as the length of continuous service within the bargaining unit. Seniority shall begin accruing on the bargaining unit member's first day of work in the bargaining unit. In the circumstances of more than one individual beginning employment in the bargaining unit on the same date, all individuals so affected will participate in a drawing to determine position on the seniority list. Separate seniority lists will be established for each of the classifications listed in Article 2, Section A.

Bargaining unit members shall accrue seniority in any classification in which they work. In the event a bargaining unit member transfers from one classification to another, he/she shall retain seniority for the period of time he/she worked in the classification and shall begin accruing seniority in his/her new classification on his/her first day of work in the new classification.

- B. Prior to November 1 of each year, the district shall electronically share a copy of the current seniority list. If there are any changes in the seniority list after it has been posted, a copy of the revised list shall be furnished immediately to the Association.

 2. The bargaining unit member's first day of work in the bargaining unit.

Probationary bargaining unit members shall have no right to grieve termination so long as it is not a violation of federal or state law. All other provisions of the collective bargaining Agreement are grievable.

Upon successful completion of the probationary period, seniority reverts to date of hire.

ARTICLE 12
STAFFING, LAYOFF AND RECALL

STAFFING PROCEDURES

A. Reductions in Staffing

1. When a layoff or displacement in a classification becomes necessary, the Association and affected individuals shall be notified in advance and the procedures prescribed below shall be followed. Probationary bargaining unit members within each classification shall be laid off before non-probationary members.
 - a. When a bargaining unit member is displaced from all or part of his/her position in a classification, the member on the basis of seniority shall have the right to claim an open position or a position of fewer, equal, or greater hours and/or days held by the least senior of the group of members with that number of hours and/or days. If an open position exists, it shall be considered the "least senior" of all the positions with the same number of hours/days.

In the event that a layoff is imminent, a displaced bargaining unit member may accept layoff status to preclude the layoff of another lesser senior bargaining unit member in the same classification.
 - b. In order to claim any position, the bargaining unit member must possess the skills or qualifications stated in the job description for that position.
 - c. When the only option is to take a position of fewer days/hours, the bargaining unit member shall retain the right to claim the first available position, for which he/she is qualified, with the same or greater number of days/hours worked prior to the reduction/layoff. This right shall exist for two years from the date of their deduction/layoff.

If the member refuses the first available position of same or greater hours/days, he/she forfeits any right to claim future positions with the same or greater number of days/hours worked prior to the reduction/layoff. However, the member has the right to apply for any open position.
 - d. When a bargaining unit member has an option to bump an available position of the same or greater hours/days, but chooses a reduced position, the bargaining unit member forfeits any right to claim the higher number of hours/days for future positions until the member applies for and is granted an open position.
 - e. In the event that a bargaining unit member does not attend the staffing meeting for his/her classification, the member will be assigned to a comparable (if available) position that will cause the least disruption. However, if the member sends a written proxy stating the member's first, second and third choices, the member will be assigned to the requested position if it is available under the provisions of this article. The proxy may be sent with another Association member or the Assistant Superintendent for Human Resources.
 - f. If a bargaining unit member being laid off cannot bump into a position with at least equal work days and hours in his/her current classification, the bargaining unit member may bump into any classification in which he/she has seniority. The bargaining unit member shall follow the same procedure outlined in this article.

B. LAYOFF

1. Layoff is defined as a reduction in the number of hours/days assigned to a bargaining unit position or the elimination of a bargaining unit position.
2. Once the staffing process in section A above has been completed, bargaining unit members to be laid off will receive written notice of the layoff at least fifteen work days in advance. A copy of the layoff notice shall be sent to the Association at the same time.

C. RECALL

1. When a position is reinstated, created, increased in hours/days or if a vacancy occurs, bargaining unit members will be recalled according to seniority in their classification regardless of the number of hours/days held prior to layoff. However, a bargaining unit member may refuse a position which offers fewer hours/days without loss of recall rights for two (2) full years from the date of layoff.
2. Bargaining unit members who were reduced in hours/days shall retain the right to at least the number of hours/days worked in their classifications prior to being laid off. Eligibility for recall shall last for two (2) full years from the date of layoff. However, a fully laid off bargaining unit member who refuses recall to a position in the same classification which offers at least (or more than) the number of hours/days held at the time of layoff shall be considered as having resigned from the district.
3. Notification of recall shall be in writing and the responsibility of the Assistant Superintendent for Human Resources. Each bargaining unit member is responsible for keeping the Human Resources Office informed of his/her current address. Verification of receipt of recall by the laid off bargaining unit member must be obtained by the Administration and the bargaining unit member shall have five (5) work days beyond verification to notify the Human Resources Office of intent to return.
4. After bargaining unit members within a classification have had the opportunity to apply for a vacancy in that classification and if no member of that classification remains on layoff, laid off members from other classifications shall be recalled to the vacancy on the basis of bargaining unit seniority provided they have applied and are qualified. Eligibility for recall under this section shall last for two (2) full years from the date of layoff.
5. A bargaining unit member who accepts recall to a classification other than the classification held when laid off shall have the right to fill the first vacancy in his/her former classification provided the bargaining unit member is qualified for the position. A bargaining unit member retains this right for a period of two (2) full years from the date of layoff.

**ARTICLE 13
VACANCIES AND TRANSFERS**

A. Temporary Vacancies

1. A temporary vacancy shall be defined as a position that is created for a limited period of time or a position held by a member on a leave of absence for ninety-one (91) work days or less.
2. A temporary vacancy of ninety-one (91) work days or less need not be posted nor is there any requirement that the vacancy be filled in accordance with the procedure set forth in this article.
3. A temporary vacancy of more than ninety-one (91) work days shall be filled in accordance with the procedure set forth in this article.

4. In the event a temporary vacancy is initially scheduled to be for a period of time less than ninety- one (91) work days and is later found that it will be more than ninety-one (91) work days, the temporary vacancy shall be filled in accordance with the procedure set forth in this article as soon as it becomes known that the vacancy will be vacant for more than ninety-one (91) work days.
5. In the event a temporary vacancy is filled by a non-bargaining unit member, the vacancy shall be reposted for the following school year if it continues to be vacant.
6. A bargaining unit member who fills a temporary vacancy shall return to his/her regular position when the vacancy terminates.
7. A person filling a temporary vacancy of ninety-one (91) consecutive work days or less shall not be considered a member of the bargaining unit. Beginning on the first work day beyond ninety- one (91) consecutive work days of employment, the temporary employee shall be considered a member of the bargaining unit and shall receive all rights and benefits of the contract.
8. Except in the case of a reduction in the number of positions in a building, Special Education Paraprofessionals within a school building may be transferred from one position in a building to another without invoking the layoff and recall provisions of the Master Agreement during a school year. Such transfers after the first of October in the school year will be deemed temporary assignments for the balance of the school year and the Special Education Paraprofessional may elect prior to staffing for the following school year to declare themselves displaced and participate in the staffing process pursuant to the layoff and displacement provisions of the Master Agreement.

B. Definition of Vacancy

1. A vacancy shall be defined as a position previously held by a bargaining unit member, or a newly created position within the bargaining unit. No vacancy shall be filled until it has been posted for at least five (5) working days unless the vacancy is being filled by recalling a member from layoff.
2. Whenever a vacancy occurs that is not being filled by recall of a laid off bargaining unit member, the Board shall notify the Association one day prior to posting. Notice of such vacancy shall be posted in all buildings in a conspicuous place. A copy of the vacancy shall be mailed to any laid off bargaining unit members. Summer postings will be sent to those Association members who have requested in writing prior to the end of the school year, posted at Central Office and other open buildings.
3. The posting shall include the required qualifications stated in the job description. Posted positions shall be filled within thirty (30) working days of the application deadline date. If, after thirty working days, the position is not filled, the Association shall be notified and, if the vacancy continues to exist, it shall be reposted.
4. Requests for transfers shall be made in writing as per the instruction on the job posting. Bargaining unit members who apply for vacant positions shall be granted an opportunity to interview and shall be given first consideration if qualified for the position as stated in the job description.

ARTICLE 14 LEAVES OF ABSENCE

A. Sick Leave

1. The primary purpose of the sick leave allowance is to cover the absence of a bargaining unit member from work because of personal illness sufficiently severe that it would make his/her presence inadvisable. Sick leave applies to absences resulting from illness of the bargaining unit member or a member of the immediate family.

All bargaining unit members who request leave of absence for medical treatment shall contact the Assistant Superintendent for Human Resources so that the required FMLA forms can be completed.

All bargaining unit members shall be granted sick leave as of the beginning of the school year according to the following schedule:

Sick Days for All Recognized Classifications	9	Sick Days Accumulate to 100 Days
--	---	----------------------------------

A day shall be defined as the number of hours a bargaining unit member is regularly scheduled to work.

See Article 21 regarding compensation for unused sick days upon resignation or retirement.

B. Use of Sick Leave for Family

A bargaining unit member shall be allowed to use his/her accumulated sick leave in accordance with the provisions of this article to attend to his/her own personal illness or illness of any member of his/her immediate family.

The medical statement must include a statement of the nature of the illness or disability and an estimated return to work day.

If a Member anticipates a continuing need to use sick leave on an intermittent basis for a single illness or disability that is likely to extend beyond three intermittent days, the member may be required to provide a medical statement to Human Resources and complete the forms necessary to determine whether the member

is entitled to Family Medical Leave Act (FMLA) benefits. The medical statement must include a statement of the nature of the illness or disability and an estimated duration of the condition or illness.

If a Member's use of sick leave displays a pattern of abuse including but not limited to exhaustion of the Member's sick leave, repetitive use of sick leave to extend a weekend or vacation period, repetitive late entries of sick leave in the attendance system etc., the Member may be called to a meeting to discuss his or her sick leave usage. If the Member cannot satisfactorily explain his or her sick leave pattern, Human Resources may require a medical statement for sick leave usage in the future.
