“In the aftermath of tornadoes, Lutheran Disaster Response works with ELCA synods, social ministry organizations and community-based groups to support local responses. Together we accompany impacted communities through disaster case management, construction management, providing relief supplies and addressing other unmet needs.

Gifts given to Lutheran Disaster Response equip us to respond to this and other disasters, whenever and wherever they strike. Gifts designated to “U.S. Tornadoes" will be restricted to and used in full (100%) for those affected by tornadoes.”
