

## ENG FAHMUL QURAN:

### NOTES

#### AUDIO Surah Al Baqarah, V:1-29

 Prophet (ﷺ) advised us to recite surah Baqarah as it chases shaitan away and the magicians cannot counter it. It's a blessing to recite it. Abandoning is a cause of grief.

 The righteous are:

- ◆ Those who establish Salah
- ◆ Not stingy in sharing whatever blessings Allah has bestowed on them.

 The person who truly believes must:

- ◆ Believe in the testimony of the oneness of Allah and that Muhammad (ﷺ) is his messenger.
- ◆ Believe in death and resurrection day.
- ◆ Believe in the unseen, Angels, Jannah, Jahanum and the Prophets and Al-Qadr.

 Allah places people in 3 categories

- ◆ They are believers, inside out.
- ◆ They disbelieve inside and out.
- ◆ They say they believe but in their hearts they don't. (Hypocrites).

 If we say we believe, then our actions in life must testify that we believe in Allah, if not then it's just to seek the pleasure of people not Allah.

 Hypocrite:

1. Have a disease in their hearts. I.e., hypocrisy.
2. Follow worldly desires.
3. Allah has increased their disease and there's a painful punishment for them in hereafter.
4. One of the biggest signs of hypocrisy is lying.

 Prophet (ﷺ) said the one that has these three traits is a hypocrite.

-  When he speaks he lies
-  When he makes a promise he breaks it.
-  When he is entrusted with an amanah he betrays it.

 The Prophet (ﷺ) hated lying.

 A believer can see his errors when the light of Quran is shone on him. Hypocrites Cannot see their faults and errors and do not repent due to this.

✨Allah addressed all mankind, telling them to worship him alone so that we may become righteous and avoid a bad outcome.

✗Do not give anyone importance as Allah deserves to be remembered. Trust and rely upon him alone.

🔥If you don't follow Qur'an and worship Allah then the message for everyone is hellfire, who's fuel is men and stones.

♥The believers are promised of

- Gardens
- Familiar food
- Purified spouses
- they will live there forever.
- No pain, distress or afflictions.

🌸FASIQ:

- Does not keep good relations with Relatives or other people.
- Breaks his promise with Allah
- Causes mischief on earth.

🎀It is Allah who created everything on earth and we will be returned to Allah. This is not the end, it's the beginning of eternal life.

🌟Allah has tied everything together on earth to ensure we live In Comfort to worship him.

بارك الله في علمك و عملك
